read the papers.

by the Boston Pilot of April 10, that the Hon. F. O. Prince, Mayor of Boston, and John O' Renty have sent to Ireland, up to April 3 d. \$66 773 and have yet some on hand. This is in addition to the many fabulous sumsent from New York and other parts for the relief of the Irish distress Has Parnell's mission been a success? We will quote from a speech delivered by Wendall Phillips, the great American orator, in Music Hall, Bosdid Parnell come for? He saved the land for as some bon, gentlemen indulged in bandi that island which to day has 2,000,000 men nage and personalities to a considerable exstarving and seeing all the wealth of their tent. One press correspondent says :and that which they ought to eat carried our in the form of rent to men whose lungs never swelled once by an Irish breeze and who never the other day of an Irish landlord who receives £190,000 revenue who was ninety-two

ing but amen! for an obedient slave is the most despicable of men. A rebellious slave we cannot but respect.' But what has Parnell done? This agitaactual organization is not six months old, and especially along the line. absentee rent. He has saved the lives of the small and cheap measure of justice will be landlords. He has kept the peace in Ireland, and that is a great deal. The Irish are a race that love to fight and bate the laws the history of sixty years' intolerable burden no wonder that the fretting and fretful heart longs to break its chain. It is the testimony right hand of O Connell did more to keep Ireland quiet than half a d zen regiments or the suspension of the habeas corpus. Ireland has been for 100 years most unjusting driven to the wall by legislation cruel and un just beyond example. Edmund Burke said of it. " It is the most unjust system to disgrace a kingdom and destroy a race, that man ever invented.' Monterque said of it, "that system of English law could only be made by

hands the means of providing his bread. "The Irish are not prepared to accept him as dictator." The Boston Pilot says :-" Parnell's triumphant entry into Cork .stastic crowd; the horses were taken from his carriage which was drawn to the hotel by the people, accompanied by a band and a torch the public view by vetoing this bill.
