CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HICHEST MEDICAL AUTHORITIES IN THE WORLD. A careful observance of the laws of health, and the systematic and persistent use of Scott's First Quality White Lead; Emulsion of Cod Liver Oil with HYPOPHOSPHITES OF LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form

perfectly palatable and acceptable to the most delicate stomach, and we make the unqualified statement that SCOFT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrotula, Anaemia, General Debitity and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve en this tood medicine diet, is truly marvellous. See what Physicians and the People say about it.
