MANHOOD.
How Lost, How Restored!
We have recently published a new edition of the celebrated "MANHOOD" or "CELEBRATED ESSAY on the Physical and Permanent Cure (without Medicine) of Nervous Debility, Mental and Physical Inactivity, Impediments to Marriage, etc., resulting from excess."
Price, in a sealed envelope, only 6 cents, or 20 postage stamps.
The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be readily cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which many, who have feared that their condition may be incurable, are cured, privately and radically.
This Lecture should be in the hands of every youth and every man in the land.
