IMPORTANT NOTICE.

HE Singer Manufacturing Co. have established an Agency in Woodstock, where their world renowned Singer Sewing Machines, for Family and Manufacturing purposes, can be had at greatly reduced prices and on easy terms. Superior to all other Sewing Machines.

1. It has taken the first prize over all other machines may be consulted on all dismay be machines more than 200 times.

2. Companies have sprung up in nearly every part of the world, for making an "Imitation Singer Machine." Why are not similar companies formed for making imitations of other Fewing Machines? The public will draw its own inference. Gold is continually counterfeited; Brass and Tin never. 3. After the Chicago fire, the Relief Committee undertook to furnish Sewing Machines to the needy women of that city. Applicants were permitted to choose from six different kinds of machines 2944 applicants were furnished with machines. 2427 chose Singer Machines and 517 distributed their choice among the five other

inds of machines! These girls were to earn their living on these machines. Why did they choose Singers? Our experience was the same after the late great fire in the City of Saint John. 4. Over two millions of Singer Machines bave been sold during the past nine years.

5. The year 1878 was a year of unexampled depression in business, yet we sold more machines than in either of the 25 years we have been in 6 Three quarters of all the Sewing Machines sold in 1878 throughout the world were Singers.

Remember these are not our claims, they are facts shewing what other people think of the For Durability and simplicity the Singer excels We have Branch Offices in every part of the known world. Our principal office is at 34 Union Square, New York. CAUTION.—A large number of people having, from time to time, been betrayed into buying imitations of our Machines, from parties representing same as Genuine Singers, we hereby respectfully notify the public, that our Machines can be obtained only through our regularly appointed Agents coming from the above address. As a further preventive against such deception we would also beg to intimate that all our Machines have our trade mark on the arm and any Machine without the trade mark is not genuine.

For further information apply to E. J. Clark Dry Goods Merchant, or W. V. SEGEE, Agent Singer Manufacturing Co. N. B.—A full supply of Needles, Oils, &c., &c., always on hand. Woodstock, May 19, 1880-21

HENRY OSBURN. MURRAY KAY, Esq., Manager St. John and Maine R R. Co., St. John. DRUGS. PATENT MEDICINES. HORSE ME By this it will be seen that the N. B. & Canada Road is responsible for cancelling the "through billing" between the points named.

By this it will also be seen that business was TIONERY, VINEGAR, PICKLES, &c., &c.

By this it will also be seen that business was practically prohibited via McAdam, owing to the excessive rates named in the above letter, unless the St. John & Maine Railway Co. were contented to carry freight at a loss; or in other words, carry freight for 86 miles at from 20 to 50 per centless than the N. B. & C. carried for 51 miles. The public can judge of the tairness of the N. B. & C.'s policy to it and this Company.

As the Tariff mentioned in the above letter is still maintained by the N. B. & Canada Railway, the St. John & Maine Railway Co., to show its disposition will, until further notice, carry Woodstock freight between McAdam and Carleton at the following rates:

MERCHANDISE, per 100 pounds.—First Class, 16 cents; Second Class, 14 cents; Third Class, 12 cents; Fourth Class, 10 cents.
