DIVIDING THE PARISH. MESSRS. EDITORS, - We find in last SENTI-NEL a very surprising clap-trap, emanating to mistify and mislead the Legislature. Astonishing indeed it must be to all who will take the trouble to examine it, that any representative body even of Woodstock could

The Mayor and Council admit that as we minds outside the Town. But only give us one more year and we will arise in our might and-do what? Why, draft a mighty measure to divide the Parish of Woodstock into two separate Parishes, giving each the same bors. powers possessed by the other Parishes; each taking care of its own poor. The Parish outside of the Town, to simplify the matter and satisfy the greediness of the Town, give up

debts owing to the Parish. For five years we have essayed the accom- make it a canvass at Town elections, that the petent to impart knowledge to others, viz : plishment of this object, and the unfair and Company get too much pay for their services; Bt. Lieut.-Colonel Morris, and Captain Cropdishonorable dodges that have been re-orted they probably think that the full amount paid ley, who have retired from the service, reto by the Town and its friends to hinder its to the Company is divided equally among the taining rank.
