terms of the contract between the Dominion Government and the Canadian Pacific Ranway Company, the latter is to receive, in ad pared by Northrop & Lyman, Toronto. Sold dition to the subsidy of \$25,000,000, a grant by druggists every where. of 25,000,000 acres of land in consideration of the construction of the Canadian Pacific Railway from Calendar to Thunder Bay and from Winnipeg to Kamloops and the maintenance and operation of the whole line from Celendar to Port Moody. The land to be allotted to the Company is to be the odd numbered sections, exclusive of school re-serves, prised within a belt extending back twenty-four miles from the main line on both sides from Winnipeg to the Rockies, but the Company is not required to accept any land which is not fairly fit for settlement,

25,000,000 acres, the balance is to be made within the 49th and 57th parallels of north latitude by the grant of similar alternate sections and bloody dysolder of any branch lines built by the Company or upon any common front lines agreed pany or upon any common front lines agreed time is possible to cure. Six to eight applications of the company of upon any common front lines agreed time is possible to cure. Six to eight applications of the company of upon any common front lines agreed time is possible to cure. Six to eight applications of the cure of the cur up from other portions of the fertile belt, upon between the Government and the Company. Upon the construction of any portion

Early in May the Company, having taken into consideration the organization of a land beast, be awarded as the line progresses, decided to Thomas' Eclectric Oil. See that the signaestablish the head office in Winnipeg, and appointed Mr. J. H. McTavish, Chief Factor missioner. Mr. C. F. Kindred, formerly chief clerk of the Northern Pacific Land Depart. Northern Pacific Land Depart. ment in St. Paul, was subsequently appointed Assistant Commissioner, and the organization of the department has been rapidly com pleted by Mr. McTavish, who secured the Reported weekly for the " Carleton Sentinel," premises formerly occupied by the Bank of Montreal here for offices. Land examiners have been in the field for some time past, and Butter, in firkin. - - - - 17 to 19e the office staff have been busily engaged re- rolls of one pound, - 20 to 22c Price--- 25 cts. per Package. cording and classifying the applications Lard per lb - - - - - 13 to 15c which h ve been made to purchase lands. Eggs per dozen - - - - - 17 to 18c Over 1,500 applications have already been Cheese, dairy. - - - - 9 to 10c received, the amount of land represented by them amounting to about 750,000 acres. On Monday, the 26th, the Department will commence to deal with the se applications, and Lamb. will on and after that date be prepared to sell Ven!

made reasonable improvements, their claims Chick as propring will be inspected, and they will be allowed Potatoes probable. to purchase the land on the Company's ad- Oats per bushel - - - -The Company has decided to sell only to Hams, green, actual settlers or to persons who agree to Hams, smoked, cultivate and otherwise improve, and the pernicious evil of speculators buying large tracts and locking them up will thus be avoided. The price of lands will be \$2.50 per acre, one-sixth in cash and the balance in paragraph of the process of the pernicious evil of speculators buying large tracts and locking them up will thus be avoided. The price of lands will be \$2.50 to \$2.50 five equal annual instalments. The form of Carrots, per bbl., - - - - 100 to 1.25 contract which has been propared provides that until the final payments are completed, that until the final payments are completed, all improvements placed on the premises shall remain; that the purchaser will regularly pay all taxes, and that he will cut no wood or timber upon the land except for fuel and fencing and the ercetion of buildings thereon. It is provided that the purchaser shall, within four years after the date of the agreement, bring under cultivation, and sow and reap a bring under cultivation, and sow and reap a crop on three-fourths of the land, but if he shall erect buildings thereon, satisfactory to the company, and shall reside thereon continuously for three years at least of the four years, then at least one half of the land shall be by him so cultivated and cropped within four years. It is further provided that the purchaser will be allowed a credit of \$1.25 A per acre for each acre cultivated and cropped | Rich Black Brocaded Satins, during the four years, or if he erect buildings and reside on the land continuously, then the period during which breaking may be made and allowed for will be extended. On the Colored Dress Silks, completion of the payments and the performance of the terms of the agreement, the Company will give a deed conveying the land in fee simple, reserving however, a strip or in fee simple, reserving however, a strip or strips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstrips 200 feet wide to be used by the Comstript 200 feet wide to be used by the Comstr pany for right of way or other railroad purposes, wherever the line of the C. P. R. or Handsome French Mantles, in Black any branch thereof is or shall be bereafter located over the land. If the purchaser fails to carry out the terms of his agreement, all his rights, etc., in the land will cease, and it

At a recent lecture in Ottawa, Sir Leonard Tilley said :- "There was a war to the knife between the brewers, distillers, and rum-sellers on one hand, and those who wish to see happy homes in the land on the other."

revaluation .- Winnipeg Free Press.

will revert to the Company, but the Company may, in its discretion, revalue the land and make a new sale of it to the purchaser at the

ALMOST Young Again .- My mother was afflicted with Neuralgia and a dull, heavy inactive condition of the whole system; headache, nervous prostration, and was alwith numerous other friends, to mourn his abmost helpless. No physicians or medicines sence. did her any good. Three months ago she On the 2nd inst., at Canterbury, York Co., began to use Hop Bitters, with such good effect | Mary Ada, beloved wife of Chas. H. S. Cronkthat she seems and feels young again, although over 70 years old. We think there is no tained in cickness in doth the was divinely susother medicine fit to use in the family. A lady in Providence, R. I.-Journal.

MAITLAND, ONT., Feb. 25, 1880.—
I have used Perry Davis' Pain-Killer for the last 20 years. I carried it with me all through the American War. I believe I would have been dead long ago, if it had not been for your Pain Killer. I think it is the best remedy in the world for which it is recommended.

Yours, very truly. N. W. LAFONTAINE S.e advertisement in another column.

HOLLOWAY'S PILLS .- IMPORTANT FOR THE DELICATE. - It is difficult to determine which is the more trying to the human constitution, the damp, cold days of autumn and winter, or the keen, dry, easterly winds of spring. Throughout the seasons good health may be maintained by occasional doses of Holloway's Upper Woodstock, of pneumonia, Phillip Raymond, aged 58 years. Five children mourn the wholesome stimulants to the skin, stomach liver, bowels, and kidneys. This celebrated medicine needs but a fair trial to convince the ailing and despondent that it will restore and cheer them without danger, pain, or in-convenience. No family should be without a supply of Holloways Pills and Ointment, as by a timely recourse to them the first erring function may be reclaimed, suffering may be spared, and life saved.

PAUSE! MY FRIENDS, AND READ THIS. A SMALL FORTUNE FOR THE LUCKY MAN. The stock, furniture, and shop fixtures of R. H. Seaborn's Eating and Oyster House, amounting to \$1,500.00; the celebrated Gray Mare Lady Bright Star, (formerly Richmond Girl) and a fine pair of matched three years old colts, with silver mounted harnesses, pung, whip and robes, will be the three leading prizes in a Grand Gift Enterprise to be drawn Thursday, Jan. 5, 1882. In addition to the above and included in same enterprise will be 8 cows, 2 hogs, a host of other valuable articles and cash prizes amounting in the aggregate to four thousand dollars, (\$4,000.) Tickets for sale Oct. 10th, at \$1.00 each. In the meantime we shall continue to sell stall fed Providence River Oysters, until Jan. 5, 1882; also fruit, confectionary, eigars and tobac-Call and see Bob while you can, cor. of Mair and Court streets, Woodstock, N. B.

A Loss That Can be Repaired .- It is a well ascertained fact, proven in numberless instances, that the week and nervous can repair ne loss of vitality which they have exced with Northrop & Lyman's Quinine Wire, a medicine specially adapted to invigorate those in delicate health, overcome dyspepsia and fortify the system against disease. COR EXTRACTOR It has a high reputation also as a remedy for bilious, remittent and intermittent fever. A pleasant taste is another of its recommendations,-Sherry Wine, of the first quality and other ingredients of an aromatic nature, being mingled with the renowned drug from which it takes its name. It contains nothing which it takes its name. It contains nothing of a deleterious nature, acts with promptitude-one or two bottles generally producing the desired effect, and stands pre-eminent among articles of its class. It healthfully stimulates the appetite, induces sound repose, promotes a regular habit of body, banishes every trace of indigestion, and relieves the PAXTON BAIRD. feeling of depression, with which nervous and dyspeptic persons are usually troubled, in addition to the purely physical symptoms which harass them. It should be borne in Teacher to teach a School in District No. mind that when it is used to remedy fever 5, Parish of Aberdeen, the winter term. Please and ague and bilious remittent fever, the write, stating salary and address, doses should be taken in the periodic absence of the fever. The statements made here in regard to the medical properties of the Quinine Wine are not random allegations, but OST .- At Hartland, or between there and facts which close observation of its effects Woodstock, my Poket Account Book. for years past fully verify. Of course it will The finder will conter a great favor, and be suitnot cure diseases to which it is not specially ably rewarded, by leaving it at J. T. G. Carr's, adapted, but that it is a medicine of surpassing efficacy in the particular line we have indicated is beyond all reasonable doubt. A

C. P. R. LAND DEPARTMENT - Under the wine glassful, three or four times a day, bout half an hour before meals, is the usual ose. Purchase only the Quinine Wine pre-

ELECTRICITY.—THOMAS' EXCELSION Ec-LECTRIC OIL.—Worth Ten Times its weight in Gold-pain cannot stay where it is used! It is the cheapest medicine ever made. One dose cures common sore throat. One bottle has cured Bronchitis. Fifty cents' worth has has cured an old standing cough. It positively cures catarrh, asthma and croup. Fifty cents worth has cured crick in the back, and the same quantity lame back of eight years' standing. It cures swelled neck, tumors, rheumatism, neuralgia, stiff joints, and as the land to be handed to the Company pinal difficulties, and pain and soreness in within the belt mentioned will not aggregate any part, no matter where it may be, nor from what cause it may arise, it always does within the 49th and 57th parallels of north you good. Twenty-five cents' worth has

tions is warranted to cure any case of excori-ated nipples or inflamed breast. For bruises, of the railway of not less than 20 miles and if applied often and bound up, there is never of the railway of not less than 20 miles and the slightest discoloration to the skin. It its completion for operation, the land grant thereby earned has to be handed over to the Cures frosted feet, biles, warts, and corns, and wounds of every description on man or
