feet per hour; together with Edger and Trimmer,
also Shingle Machine and Lathe Machine. One
advantage this mill has, is that it has all the upper

advantage this mill has, is that it has an the upper should be sho

the human race. Even in our own day, among justly celebrated physicians, there is evinced a want of appreciation in their practice of the great part which the NERVOUS or MAGNETIC FORCE plays in the daily nutrition and growth of our bodies, but more especially in the influence of Nervous Force over disease and its cure. It is not so in France. cure. It is not so in France. In the Great Medical Schools in Paris, from which this Magnetic Oil emanated, THERE Medical Science is cultivated in investigating new facts and drawing useful deductions therefrom. One result is

a knowledge of its virtues we claim for it a large share of the confidence of the public. We do it from knowing that what it promises to do, it does effectually. It knows no failure,—is the most speedy, safe and certain in its cures. The smallest particle of it is worth more than a dozen -for, without Magnetism Death, for MAGNETISM is Life. It is composed of powerful vegetable oils, all combining MAGNETIC FORCE. It contains more than all the virtues of the best pre-parations which have ever been invented, be-Magnetic Power, which is wonderfully developed by its use. There never existed a remedy so striking and immediate in its effects, so simple and safe to use. Were a universal remedy possible, THE FRENCH MAGNETIC OIL is the only one that could lay claim to the name.

Next month we shall tell you more about it.
