HON. EDWARD BLAKE. Mr. Blake said he regretted that for the first time in this Province their meeting was weather. The present Government might claim to regulate such things; the Liberals accepted them as determined by Providence for wise purposes, without regard to politics. He said their object in this visit was twofold. They desired to become acquainted with the country, the people, their wants, desires and conditions. They desired also to take advantage of opportunities presented to discuss the public questions of the day and expound the views of the party to which
