great part which the NERVOUS or MAGNETIC FORCE plays in the daily nutrition and growth of our bodies, but more especially in the influence of Nervous Force over disease and its cure. It is not so in France. In the Great Medical Schools in Paris, from which this Magnetic Oil emanated, THERE Medical Science is cultivated in investigating new facts and drawing useful deduction therefrom. One result is THE DISCOVERY OF THIS PREPARATION. THE

Throughout France it has a standard reputation. It is only new on this side of the Atlantic. From a knowledge of its virtues we claim for it a large share of the confidence of the public. We do it from knowing that what it promises to do, it does effectually. It knows no failure,—is the most speedy, safe and certain in its cures. The smallest particle of it is worth more than a dozen bottles of oils, which contain no Magnetism,—for, without Magnetism Death, for Magnetism is LIFE. It is composed of powerful vegetable oils, all combining MAGNETIC FORCE. It contains more than all the virtues of the best preparations which have ever been invented, because it possesses the invaluable addition of the cause it possesses the invaluable addition of the Magnetic Power, which is wonderfully developed by its use. The celebrated author, in this admirable Essay. clearly demonstrates, from thirty years' successful practise, that alarming consequences may be radi-cally cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple. certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of

permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impe-

every youth and every man in the land.
