Every Farmer in New Brunswick, as in all our Provinces, are paying at least 50 per cent. more than actual cost for all their merchandise, and why? Because they don't come together and all agree on the one point that interests their Pocket Book more than all other politics combined. Being loyal to one's country is well enough, but be loyal to yourself and your family first. FREE TRADE is what every man, woman and child wants, to make Canada one of the most prosperous places in the world. It will badly affect a few, but benefit many.

When we open our Store in Houlton, we don't care how many Goods the people smuggle, and will invite every Farmer between St. John and Grand Falls to come to Houlton and buy all their Goods, until the little Flag bearing the mark FREE TRADE is heeded, and every farmer can feel happy.
