NATURAL HISTORY!-Here we have an oyster. It is going to a Church Fair. When it gets to the fair it will swim around in a big kettle of warm water. A lady will stir it with a spoon and sell the warm water for two bits a pint. Then the ovster will move on the next fair. In this way the oyster will visit all the church fairs in town and bring a great many dollars into the treasury. The oyster goes a great way in a good cause.
