SCHMIDT'S MISTAKE.—I geeps a little store down Proadway but I don't got much shtock in ter shtore. SHE HAD NOTICED IT.—The lady of the house was entertaining her callers in a most agreeable manner. The young heiress, aged six, had ceased for a moment her occupation of pulling the fringe off the fat caller's dolman, and was gazing interestedly out of the window. A couple of birds were fighting noisily through the branches of a tree.

'Em birdies is married,' the young heiress asserted, as she watched their movements.

'Oh, no they're not,' smiled the maiden lady caller; 'they can't be married—they are quarreling too badly.'

''Es 'ey is, the young heiress stoutly maintained; 'at's dess 'e way papa and mamma al'ays does.'

The lady of the house said she thought Hancock would be elected, and the fat caller said yes, she thought it would rain very hard, and then, as the silence seemed to grow too deep for expression, the visitor slipped out.—*Rockland Courier.*

A couple of Galveston darkies were talking politics. One of them asked uncle Mose: "I say Mose, what's the meanin' of a silber-tongued orator? I has red dat spression in the paper, and it sorter stumpen me." Old mose who never failed to answer any question ever asked him, responded at once: "A silber-tongued orator is one who neber goes back on his word when he promises you a silber half dollar for votin' for him." "Dat ar species is mighty skurse in Galveston dat's all I'se got ter say."

COSSITT'S

Improved Ithaca Horse Dumping Hay Rake!

THE BEST TO BUY,

for the following reasons.

1st. The Wheels have Rock Elm wood Hubs, instead of cast iron.

2nd. The Teeth remain up without fastening.

3rd. The Teeth are made of the best of Spring Steel and are Oil Tempered.

4th The Teeth do not scratch the ground like other rakes—hence hay raked with Cossitt's Rake will contain less dust.

5th. Cossitt's Patent Lever Trip is Simple and Durable, and the horse helps to trip the teeth. There are no springs, clutches, gears, friction breaks, or chains running over sheave wheels to wear smooth, to vex and annoy you.

6th. J. W. MANN & Co's SEED SOWER ATTACHMENT for Horse Rake only fits the Cossitt Rake; by having their Rake you will save $15 in purchasing Seeder.

7th. Farmers who buy Cossett's Rakes are more certain of procuring pieces for repairs than if they bought other Rakes. Johnson & Co., have 44 Agencies in New Brunswick, and repairs for Cossitt's Rakes can be found at each agency should repairs for their Rakes burn up at any of those agencies, pieces will be shipped there by Express immediately from other places. Farmers do not run the risk of one fire destroying all the repairs for Cossitt's Rakes.

Over 13,000 Cossitt Rakes in use in Canada, and less than 100 Teeth sold in 1880 to repair breakages.

For sale on reasonable terms by J. G. EMERY.

4th. A new Inner Shoe and Leading Wheel has been made, by which more space is gained in raising and lowering, and the knife has full sweep for cutting the length of the cutter bar.

5 There is a new, stronger and better shaped Foot Plate and Box Lid.

6th. Malleable Iron is used in greater quantity than heretofore.

SUBSTITUTES!

☞ The public are cautioned against a custom which is growing quite common of late among a certain class of medicine dealers, and which is this: When asked for a bottle of Pain-Killer, they suddenly discover that they are "out of it," but have another article just as good, if not better, which they will supply at the same price. Such a course is unjust to us, as we have spent years of time and large sums of money to establish a reputation for the genuine Pain-Killer, which cannot be maintained if unprincipled dealers are allowed to substitute other medicines. Every dealer can see that a 25 cents bottle of Pain-Killer yields a much greater profit than any 50 cents medicine in the market, and we trust that the public will insist on getting the genuine. PERRY DAVIS.

For CHOLERA MORBUS, CRAMPS, AND ALL SUMMER OR BOWEL COMPLAINTS PERRY DAVIS' PAIN-KILLER IS UNEQUALLED.

IT CURES ALMOST INSTANTLY.

The PAIN-KILLER is put up in 2 oz. and 5 oz. bottles retailing at 25 and 50 cents respectively,—large bottles are therefore cheapest.

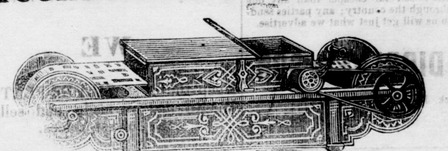
Mechanical Orguinette!



AN AUTOMATIC REED ORGAN!

"THE ORGUINETTE may now be called a celebrated instrument. In tone it is akin to the Cabinet Organ, but the organ must be manipulated by an artist in order to produce music; the ORGUINETTE is on the other hand entirely mechanical in its action, and at trifling expense it can be made to furnish an unlimited supply of all kinds of music."—*Toronto Globe.*

"THE ORGUINETTE is indeed a musical wonder. It is a minature reed organ, with as strong and melodious a tone as the Cabinet Size. It surpasses the Cabinet Size. THE ORGUINETTE is ignoramus in music can play it as well as the most accomplished professor. THE ORGUINETTE is strong and accurate in its mechanism, and consequently not liable to get out of order."—*Montreal Gazette.*

"THE ORGUINETTE is the most perfect automatic musical instrument yet invented; its repertoire is unlimited, the tone is remarkably good."—*Montreal Star.*

NEW FACTS IN THE THEORY OF LIFE.

A CHEMICAL TRIUMPH.

WHAT IT IS.

We live in an age of progress and discovery. Theories have become Facts. One discovery only culminates in another. The man of Science gives us the result of his researches for our general good. Scientists who were looked upon as mad by our fathers, are now recognized as benefactors to the human race. Even in our own day, among justly celebrated physicians, there is evinced a want of appreciation in their practice of the great part which the NERVOUS or MAGNETIC FORCE plays in the daily nutrition and growth of our bodies, but more especially in the influence of Nervous Force over disease and its cure. It is not so in France.

In the Great Medical Schools in Paris, from which this Magnetic Oil emanated,

THERE Medical Science is cultivated in investigating new facts and drawing useful deductions therefrom. One result is

THE DISCOVERY OF THIS PREPARATION,

Throughout France it has a standard reputation. It is only new on this side of the Atlantic. From a knowledge of its virtues we claim for it a large share of the confidence of the public. We do it from knowing that what it promises to do, it does effectually. It knows no failure,—is the most speedy, safe and certain in its cures. The smallest particle of it is worth more than a dozen bottles of oils, which contain no Magnetism,—for, without Magnetism Death, for MAGNETISM is LIFE. It is composed of powerful vegetable oils, all combining MAGNETIC FORCE. It contains more than all the virtues of the best preparations which have ever been invented, because it possesses the invaluable addition of the Magnetic Power, which is wonderfully developed by its use. There never existed a remedy so striking and immediate in its effects, so simple and safe to use. Were a universal remedy possible, *THE FRENCH MAGNETIC OIL* is the only one that could lay claim to the name.

☞ Next month we shall tell you more about it.

AN ELEGANT PROGNOSTICATOR!

We are manufacturing, in a Neat Case, an Improved and Perfectly Reliable

Weather Indicator!

This Instrument predicts not only the correct changes of the weather in advance, but indicates with great accuracy the present humidity of the atmosphere. It is of intrinsic value when used in sick-rooms, sitting-rooms, school-rooms, conservatories and grape houses; also in cotton, silk and woolen mills, as well as other manufactories, to regulate the moisture or dryness of the air.

NO REGULATION IS REQUIRED, IT IS PORTABLE, NOT EASILY BROKEN NOR PUT OUT OF ORDER.

It is a signal triumph over all other high-priced Barometers or Weather Indicators, and excels in superiority of accuracy; being attractive, ornamental and low-priced, it will be a favorite in every household.

It bears testimonials and high recommendation from the most eminent and scientific gentlemen, as:—Jas.
