ed an Agency in Woodstock, where their world renowned Singer Sewing Machines, for Family and Manufacturing purposes, can be had at greatly reduced prices and on easy terms. Positive Proofs that the SINGER is Superior to all other Sewing Machines. 1. It has taken the first prize over all other machines more than 200 times. 2. Companies have sprung up in nearly every part of the world, for making an "Imitation Singer Machine." Why are not similar companies formed for making imitations of other Sewing Machines? The public will draw its own inference. Gold is continually counterfeited;

Brass and Tin never. 3. After the Chicago fire, the Relief Committee undertook to furnish Sewing Machines to the needy women of that city. Applicants were permitted to choose from six different kinds of matted to choose from six different kinds of machines 2944 applicants were furnished with machines 2427 chose Singer Machines and 517 distributed their choice among the five other hinds of machines! These girls were to earn their living on these machines. Why did they choose Singers? Our experience was the same after the late great fire in the City of Saint John.

4. Over two millions of Singer Machines have heen sold during the past nine years.

IS MARKED been sold during the past nine years.

5. The year 1878 was a year of unexampled depression in business, yet we sold more machines than in either of the 25 years we have been in

6. Three quarters of all the Sewing Machines sold in 1878 throughout the world were Singers. Remember these are not our claims, they are facts shewing what other people think of the For Durability and simplicity the Singer excels all other Machines.

MANHOOD

How Lost, How Restored! We have recently published a new edition of Dr. Culverwell's Cele Brated Essay on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to Marriage, etc., resulting from excesses.

Price, in a sealed envelope, only 6 cents or two postage stamps. two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful clearly demonstrates, from thirty years' successful practise, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land.
