FRES AND DOCTORS .- The fees of doctors is an item that very many persons are interested in just at present. We believe the schedule for visits is \$3.00, which would tax a man confined to his bed for a year, and in need of daily visits, over \$1,000 a year for medical attendance alone! And one single bottle of Hop Bitters taken in time would save the \$1,000 and all the year's sickness .-

It gives me much pleasure to state that during a drug career of more than a quarter during a drug career of more than a quarter century, I can testify that your justly celebrated Pain-Killer has not only held its own as a family medicine, but still occupies the front rank wherever duty calls it. My customers speak very highly of it. and I could send no end of testimonials showing up its merits and intrinsic worth, were it necessary, which it is not. It should, however, be called "Excelsior Pain-Killer." I pride myself in never being out of it. in never being out of it.

HOLLOWAY'S PILLS .- PURE BLOOD .- When the Blood is pure, its circulation calm and equable, and the nerves well strung, we are well. These Pills possess a marvellous power in securing these essentials of health by purifying, regulating, and strengthening the fliuds and solids. Holloway's Pills can be confidently recommended to all persons suffering from disordered digestion, or worried by nervous fancies, or neuralgic pains. Murdock McKenzie writes, Nov. 22, 1881, from Bouiardarie, Back lands, Cape Breton, N. S.:

"I am not a millwright, never was, nor even inside a grist mill in my life before I put up the portable grist mill I purchased from you. I put up your portable mill myself, and am now turning out first-class flour. I believe it to be the best flour mill on the island of Cape Breton, and I feel that I can recommend it to any one in want of a first-class flour mill, as it is simple, efficient, and easily managed by a novice. Mr. McKenzie purchased the No. 23 establishment exhibited at Halifax Fair. A COMPLETE Address, WATEROUS ENGINE WORKS Co., or
