TO THE ELECTORS

CARLETON COUNTY At the request of a large number of the in-luential and independent Farmers of this County have been induced to allow myself to be put in nomination as a Candidate for the representation of this County in the Deminion Parliament. While I believe in protecting our young in dustries until they have sequired strength and custom Work a Specialty. O opportunity of informing the Electors of casefully with those of other countries, it shall

> Government in measures which I may not ap all measures having for their object the enouragement of our Agricultural and Manu acturing in tustries, and the introduction of foreign capital into our country, thus giving mployment to our own people, and thus creating a home market for our farmers, shall have my hearty support.

In any re-adjustment of the the Tariff, which from time to time may become necessary, it shall be my care that the tax upon the necessaries of Monquart Settlement on Saturday, first day of life be as light as poss b'e dentlemen. I am not an untried man having been in public life for hirty years, and if electel shall endeavor to prove true to my record ; not torgetting my old metto, " Fair play, equal rights and privileges to all.' If time permit, I shall endeavor to visit the several localities in the County prior to the etec ion, and on Nomination Day I shall give

you my views more fully. your obedient servant, WILLIAM LINDSAY.
