THE SUPERIOR TROTTING STALLION

Mambrino Monarch,

Will make the Season of 1882 at

McANNA'S STABLES,

WOODSTOCK.

TERMS, $20.00 TO INSURE.

PEDIGREE.—This horse was bred at Coldwater, Michigan, U. S. His sire *is the famous Stock Horse and Trotter* FISK'S MAMBRINO CHIEF, who was *sold for* $12,000 when eight years old. He having then showed his superiority as a Race Horse for one mile up to five, beating Pilot Temple, 2.24½, Magna Charta, and others, and making 2 26 in harness also a record 2.29½ under saddle and 5 miles in 13.52. *These performances,* together with his size, fine form, high breeding and great success in the stud, place him in the front rank of Stallions who have a National Reputation. He stands 16½ hands, a majestic looking dark bay horse, perfectly proportioned and his progeny even to the second and third generations bear his stamp and inherit his speed. He is the Sire of Mambrino General, record 2 25½, Woodchuck 2 30, and a dozen of others with records on public trials close to 2.30; a pair of carriage horses by him are used by a member of the Vanderbilt family in New York City. *He was bred in Kentucky and got by Clay's Mambrino Chief,* (sire of Lady Thorne, 2 18¼ and grand sire of Trinket, 2 14), dam by Birmingham, and 2nd, 3rd and 4th dams all got by first class thoroughbred Horses. Clays Mambrino Chief was got by Mambrino Paymaster a grandson of Messenger.

So much for the Sire of MAMBRINO MONARCH. HIS DAM, MAID OF FORDHAM was got by Imported Monarch who was from the Royal Stables at Hampton Court, England, his grand-dam was owned by Col. L. G. Morris, of Fordham, N. Y., who states she had every appearance of being a near descendant of Imported Messenger. *Monarch's Dam* was a noted Brood Mare and first prize winner at the State Fairs for many years. Her daughter by Magna Charta was bred to Monarch's Sire and produced Mambrino Charta, record 2 30¼, (trials 2 25 and better) lately sold for $2500 and shipped to England.

QUALITIES.—Monarch is a young sire whose credentials are second to none. He has proven himself a fast and game trotter, his record of 2 41½ over a very slow half mile track is no measure of his speed. *He meets the Breeder's wants.*

He has the size to get Farm Horses. He has the ranginess, style and action to get coachers park and carriage Horses. He has the blood to get colts as good as himself or his ancestors and in due time as sure as "like begets like," he will, as a sire of trotters and roadsters keep the family name green for many a day.

DESCRIPTION.—He is a dark grey, stands 16¾ hands, weighs 1300 lbs., a true made muscular horse, full of good points and characteristics of the Mambrino family, which are soundness, good size, true, easy gait, great endurance, excellent disposition and blood like appearance.

Breeders and horsemen generally are invited to inspect this horse. His introduction here has been very cordially received by all who desire to see the reputation of Carleton County and vicinity maintained for raising fine market horses and the highest type of fast trotters. There is every reason to believe that Mambrino Monarch will work himself up to the top of the tree as a sire of this class of stock.

Conditions.—He is only put to insure and service fee payable when mare is known to be in foal. If she is either sold, parted possession with or not returned regularly to the horse she will be considered as in foal.

$5.00 to be paid at time of service.

For further particulars call or send for a circular.

Miscellaneous.

"Our Railroad Boys."

God bless the boys who ridge the plains
With Commerce's highway strong!
Bless all who make and man the trains
That bear her wealth along!

Bless those whose eyes no storm must blind,
Who stand side engine's door,
And watch 'tween precious lives behind
And treach'rous track before!

From pilot's point to sleeper's 'bait,
On all pour blessings fair,
Including captain of the craft
With "punch" for "passenjaire!"

Bless all the girls, whose Sunday nights
Wait "orders down the line!"
And keep their loves as pure and bright
As gold from richest mine!

And bless the wives who bless the homes!
Their hearts, with fears oft vexed,
O shield from lightning's cruel tongue,
That tells of murd'rous wrecks!

And bless the babes, with dimpled fists,
Who beat the roadward pane,
'Midst tears for papa's parting kiss—
With cheers for coming train!

Lord bless you all! With low and high
Make brotherhood prevail—
Ne'er let old Friendship's Engine die
Upon the frosty rail!

But keep her fires aglow as bright,
Through all the future years,
As those that burn on hearts to-night
That greet each other here!

When brakeman's last proclaim shall be,
"Next Station's Heaven's Court!"
May all North-Western's company
Be loaded for that port!

AN HONEST MAN.—One day in the years agone a stranger arrived at Dearborn, and enquired for a citizen commonly known as Uncle Ike. The old man was soon found in a grocery, and after the usual "how-de-do" the stranger said:—

'Do I address Uncle Ike Barlow?'

'You dew,' was the reply.

'Well, my name is Thornburn, of Ann Arbour.'

'Jess so.'

'They tell me that you are a good horse-trader.'

'Well, I dew, make a trade now and then. What ye got?'

'I've got a horse I brought along on purpose to trade with you. Let us first understand each other. You are a member of the church?'

'Y-e-s; I expect I be.'

'Then, of course, I shall expect you to be honest with me. I've been looking at your old nag over there by the post. How old is he?'

'That 'ere hoss,' slowly replied Uncle Ike, as he puckered his lips and squinted his left eye—'let's see! Wall, now, I quite forgit whether he's nine or 10 years old, but we'll say 10.'

'Uncle Ike, isn't that horse all of 20 years old? Come, now, as a member of the church, give me an honest answer.'

'Look a-here mister,' said the old man, after a strong gaze at the stranger. 'I never trade hosses but one way.'

'How's that?'

'When I'm buying of a hoss I'm a purty good member of the church.— When I'm a-selling of a hoss I reckon on skipping about two prayer meetings When I'm a-trading hosses then I calkerlate on blacksliding altogether for a hull month, or until I know the victim won't begin no lawsuit. Now, stranger, that's me, and if you have come here to trade hosses don't reckon that Matthew, Mark, Luke or John ever writ a line advising a church member to come right down and give away the ring bones on his own aanamile!'

A Public Meeting should be called of the citizens of every city, town and village in the Dominion, to consider what should be done to prevent the hair from turning Grey—and falling out. If this important question received their earnest consideration they would unanimously decide that science had at last discovered something that would answer this purpose—and forthwith would recommend Cingalese Hair Renewer as being this something for restoring the hair to its natural color, and prevent its falling out. 50 cents per bottle, at Garden Bros, Druggists.—3 mos-22
