KENDALL'S SPAVIN CURE The Most Successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW. Kendall's Spavin Cure.

Hamilton, Mo., June 14th, 1881.

B. J. KENDALL & Co.,—Gents:—This is to certify that I have used Kendall's Spavin Cure and have found it to be all it is recommended to be and in fact more too; I have removed by using the above: Callous, Bone Spavins, Ring-bones, Splints, and can cheerfully teetify and recommend it to be the best thing for any bony substance I have ever used, and I have tried many, as I have made that my study for years. made that my study for years. Respectfully yours, P. V. CRIST: Kendall's Spavin Cure. New Hamburg, Ont., Dec. 28th, 1892. Mr. F. H. McCallum—Dear Sir:—The bottle

of Dr. Kendall's Spavin Cure bought of you last summer gave me the utmost satisfaction and performed a wonderful cure upon a mare nineteen years old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again. Yours truly, Send address for Illustrated Circular, which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

A NOTED BUT UNTITLED WOMAN.

ham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is realously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this. On account of its proven merits, it is recommended

and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhœa, irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life." It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weak-

ness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system. It costs only \$1. per bottle or six for \$5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass. For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show. "Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation. Billousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and bids fair

to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole ambition is to do good to others. Factory at Stanstead, P. Q.—Trade supplied by Wholesale Druggists.

KIDNEY-WORT FOR THE PERMANENT CURE OF CONSTIPATION. No other disease is so prevalent in this country as Constipation, and no remedy has ever equalled the celebrated Kidney-Wort as a cure. Whatever the cause, however obstinate the case, this remedy will overcome it.

PILES Plaint is very apt to be complicated with constipation. Kidney-Wort strengthens the weakened parts and quickly strengthens the weakened parts and quickly and medicines have before failed.

'You say that you were present when my son was killed,' said an Arkansas gentleman to a man who had just arrived from Colorado. 'Yes, sir, 1 was present.' 'How did the fight occur?' We have, how-ever, in Quinine Wine, when obtainable in a sound undulterated state, a remedy for many and grevious ills. By its gradual and judicious use, the frailest systems are led into convalescence and strength, by the influence which Quinine exerts on Nature's own restoratives. It relieves the drooping spirits of those with whom a chronic state of morbid despondency and lack of interest in life is a disease, and, by tranquilizing the nerves, disposes to sound and refreshing sleep-imparts vigor to the action of the blood, which being stimulated, courses throughout the veins, thereby making activity a neces sary result, strengthening the frame, and giving life to the digestive organs, which naturally demand increased substance-result, improved appetite.
