KENDALL'S SPAVIN CURE.

The Most Successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW.

Kendall's Spavin Cure.

Hamilton, Mo., June 14th, 1881.

B. J. KENDALL & Co.,—Gents:—This is to certify that I have used Kendall's Spavin Cure and have found it to be all it is recommended to be and in fact more too; I have removed by using the above: Callous, Bone Spavins, Ring-bones, Splints, and can cheerfully testify and recommend it to be the best thing for any bony substance I have ever used, and I have tried many, as I have made that my study for years.

Respectfully yours, P. V. CRIST.

Kendall's Spavin Cure.

New Hamburg, Ont., Dec. 28th, 1882.

MR. F. H. MCCALLUM—Dear Sir:—The bottle of Dr. Kendall's Spavin Cure bought of you last summer gave me the utmost satisfaction and performed a wonderful cure upon a mare nineteen years old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again.

Yours truly, J. F. ROTH.

Send address for Illustrated Circular, which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1 per bottle or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price, by the proprietors. B. J. Kendall & Co., Enosburgh Falls, Vt.

A LECTURE TO YOUNG MEN On the Loss of MANHOOD.

We have recently published a new edition of Dr. Culverwell's Celebrated Essay on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to marriage, etc., resulting from excesses.

☞ Price, in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practise, that alarming consequences may be radically cured without the dangerous use of internal medicines or use of the knife; pointing out a cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be may cure himself cheaply, privately and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.

JOHN NESBITT, Tailor.

Woodstock, July 28, 1882.—30

Miscellaneous.

A short time ago, at a school in the north of England, during a lesson on the animal kingdom, the teacher put the following question: 'Can any boy name me an animal of the order of *edentata*; that is, a front-tooth toothless animal?' A boy, whose face beamed with pleasure at the prospect of a good mark, replied, 'I can.' 'Well, what is the animal?' 'My grandmother!' replied the boy, in great glee.

Benjamin Franklin says: 'One boy is a boy, two boys half a boy, and three boys are no boy at all.' It is different with girls, Benjamin. One girl is a girl; two girls are more than a girl, and three girls are an entire circus.

AN HONEST OPINION.—John Taylor, of Toronto, says he has tried every known remedy for rheumatism, and can honestly recommend Hagyard's Yellow Oil as the best of all; he has been a sufferer from rheumatic pains for years.

Pedestrian (who has dropped a penny in front of a 'poor blind man'): 'Why, you humbug, you're not blind.' Beggar: 'Not I, sir. If the card says I am, they must have given me the wrong one. I'm deaf and dumb.'

THE GREAT CAUSE of much misery and ill health is a disordered condition of the kidneys; an effectual combination of diuretics is found in Burdock Blood Bitters that thoroughly renovates the kidneys and other important glandular organs, and strengthens the debilitated system.

Young wife from the city: 'John, dear, I shall have that saucy-looking chicken killed to-morrow.' 'But, my dear, that is the only rooster we've got.' 'I don't care if it is; I've had my eye on it all along, and it hasn't laid an egg since we've been here.'

NEVER ALLOW IT.—Never allow the bowels to remain in a torpid condition, as it leads to serious results, and ill health is sure to follow. Burdock Blood Bitters is the most perfect regulator of the bowels, and the best blood purifier known.

The highland brigade appear, as usual, to have excited considerable terror in Egypt, one native describing them as 'devils in petticoats,' and another as 'devils with beards down to their knees.'

When Hood wrote, 'There is a happiness which makes the heart afraid,' he was probably thinking of sitting up late with his girl and not knowing at what minute the old man might come thumping down-stairs.

Jay Gould, upon an occasion having received a sample package of whiskey with a beautiful card upon which was engraved the motto, 'United we stand, divided we fall,' slyly remarked to one of his partners: 'You had better have that motto transposed.'

Agitation in the world of homœopathic medicine has been its very soul of progress, as in politics and religion—the difficulties of opinion and the individuality of men have been parent to the disagreement by which the standard of these bodies have been elevated. So with most of our famous preparations—foremost in illustration of which truth stands the world-famous remedy to general debility and langour "Quinine Wine,"—and which, when obtainable in its genuine strength, is a miraculous creator of appetite, vitality and stimulant, to the general fertility of the system. Quinine Wine, and its improvement, has from the first discovery of the great virtues of Quinine as a medical agent, been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and natural life-giving stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrop & Lyman, of Toronto, have given to us in the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all the defects which skilful observation and scientific opinion has pointed out in the less perfect preparations of the past. All druggists sell it.

Mothers! Mothers!! Mothers!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle.—1yr-13
