Waterville Items.

Dec. 18, 1882. We have in Waterville three stores, a milliner and dress making shop, all of which are doing a thriving business, a business well worthy the talent and energy of its patrons. In no place in this Province is the zeal and determination that characterizes that great Teutonic race any more displayed, both in farming and business tact, than by the people in Waterville.

As Christmas approaches our young men enter with their usual energy upon those duties necessary to the drawing out and exhibit of the speed of their horses which for a year has lain dormant. They intend to celebrate on Xmas the first appearance in our midst of that world renowned porse "Shellbark." Come one, come all

LITERARY NOTICES -Frank Leslie's Popular Monthly The January number is of remarkable excellence, and is in all respects, what a magazine aught to be; the articles are exceedingly interesting and instructive; the stories, sketches, &c. highly entertaining; the poems possess much merit, and the miscellany is most comprehensive. "The War Cloud in Europe" (fifteen illustrations); "Rachel" (eight); "Life in Old Florence" (six); "A Polynesian Kingdom" (twenty-one) and "A Bar of Iron" with its nine illustrations) are by popular writers, and replete with interest and information. The fine serial "A Whited Sepulchre" is continued, and there are short stories, sketches, adventures, &c, by M. T. Caldor, A. M. Douglass, M. F. Aymar, Mrs. M. A Denison," &c. "William Penn and the Philadelphia Bi-Centennial" and "The Devil's Looking-Glass" claim particular attention. Each number of this popular periodical contains 128 quarto pages and over 100 illustrations, tegether with a beautiful colored plate frontispiece. "Be Good Again," the title of the present one, is a gem. The price of a single copy is 25 cents; yearly subscription, \$3, post paid. Address Mrs. Frank Leslie, Publish-

THE BEST POLICY.—Regarding insurance policies against accidents, it is a good policy to have at hand a bottle of that invaluable medicine for internal and external use—Hagyard's Yellow Oil—worth more than gold in relieving pain and suffering, for lameness, sprains, bruises, burns, stiff joints, and all wounds.

A LONDON DRUGGIST says: "During the many years I have been in the drug business, I have never had a medicine that gave such general satisfaction, or for which there was such a large sale, as there is for Mack's Magnetic Medicine, advertised in another column of your paper.

AT ALL SEASONS, but particularly during the winter, persons whose lungs and chests are weak should take every precaution against a cough or cold, as the breathing organs if naturally feeble speedily succumb to its ravages. In spite of sanitary precautions, however, coughs are very apt to fasten themselves upon weak lungs. In such a case ordinary prudence dictates the prompt use of a reliable prific.
