Miscellaneous.

THE BOY WHO WANTED A COON.—A man was carrying a coon he had caught when he met three little boys in the road. All of them said excitedly and at once, 'Mister, give me that coon, give me that coon, Mister.'

'Well, boys, I'll tell you what I'll do. If you will tell me the party you belong to and why, I'll give it to the boy who gives the best reason for his faith," 'I am a Republican because that party saved the Union,' said one. "'I'm a Greenbacker because that party is in favour of plenty of money.' When the time of the third boy came, he said, 'I'm a Democrat, 'cause I want the coon.'—*New Orleans Times-Democrat.*

GEORGE KELLY, of Dunchurch, Parry Sound, suffered from dyspepsia for about seven years, and was cured by Burdock Blood Bitters. He says a half dozen others of his acquaintance have derived great benefit from the medicine, which he now recommends to all suffering from similar complaints.

'Your honor, and gentlemen of the jury, I acknowledge the reference of counsel of the other side to my gray hair. My hair is gray, and it will continue to be gray as long as I live. The hair of that gentleman is black, and will continue to be black as long as he dyes.'

A HOUSEHOLD NECESSITY.—She would not keep house without it, so says Mrs. McArthur, of Hopeville, regarding Hagyard's Pectoral Balsam. This medicine is pleasant to take, and speedily cures coughs, bronchitis, asthma, weak lungs, and all Pectoral complaints.

CONQUERED AT LAST.—D. McCrimmon, of Lancaster, was afflicted with inflammatory rheumatism from youth; all remedies failed, until he tried Burdock Blood Bitters, which was one year ago, since which time he has had no attack of the complaint.

A talented lady, who lectured before a Brooklyn literary society, speaking of Job and his patience, remarked that all her sympathies went out to Mrs. Job, who made the poultices.

FLIES AND BUGS.—Flies, roaches, ants, bed bugs, rats, mice, gophers, chipmunks, cleared out by "Rough on Rats." 15c.

When you cannot quiet a baby in any other way you let him crawl under the bed, and make him believe you think he is lost, and are looking for him, and he will keep quiet for two hours.

DECLINE OF MAN.—Nervous weakness, Dyspepsia, Impotence, Sexual Debility, cured by "Wells' Health Renewer." $1.

It knocked a man about crazy to find that the button he had 'by mistake' put in the contribution box was one of a set for his wife's sacque, and they cost thirty cents a piece.

The height of industry—a girl so industrious that when she has nothing else to do she knits her brows.

Agitation in the world of homœopathic medicine has been its very soul of progress, as in politics and religion—the difficulties of opinion and the individuality of men have been parent to the disagreement by which the standard of these bodies have been elevated. So with most of our famous preparations—foremost in illustration of which truth stands the world-famous remedy to general debility and langour "Quinine Wine,"—and which, when obtainable in its genuine strength, is a miraculous creator of appetite, vitality and stimulant, to the general fertility of the system. Quinine Wine, and its improvement, has from the first discovery of the great virtues of Quinine as a medical agent, been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and natural life-giving stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrop & Lyman, of Toronto, have given to us in the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all the defects which skillful observation and scientific opinion has pointed out in the less perfect preparations of the past. All druggists sell it.

To say the good die young is a standing invitation for a small boy to be bad.

Never ask a woman her age—that is, not that woman. Ask someother woman.

Mothers! Mothers!! Mothers!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle.—1yr-13

New Hamburg, Ont., Dec. 28th, 1882.

MR. F. H. MCCALLUM—Dear Sir:—The bottle of Dr. Kendall's Spavin Cure bought of you last summer gave me the utmost satisfaction and performed a wonderful cure upon a mare nineteen years old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again.

Yours truly, J. F. ROTH.

Send address for Illustrated Circular, which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

A LECTURE TO YOUNG MEN

On the Loss of

MANHOOD.

We have recently published a new edition of **Dr. Culverwell's Celebrated Essay** on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to marriage, etc., resulting from excesses.

☞ Price, in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practise, that alarming consequences may be radically cured without the dangerous use of internal medicines or use of the knife; pointing out a cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be may cure himself cheaply, privately and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.
