of rate-payers, was held in the Town Hall, will only share in a general dispensation of on Friday evening of last week. The Mayor benefits, of which, of course, the farmers of Many of these are young men who personally was called to the chair, and Mr. James the County will be the richer recipients. The fices in the cause of education, and who are martial. Watts was appointed Secretary. His Wor. chief want of the County for some time has determined to have the best that is obtainable ship read the Requisition presented to him, been a better local market than Woodstock at every sacrifice. This is the spirit that which showed that the present meeting was with a small population and limited induscalled to afford the rate payers an oppor- tries afforded. If Woodstock grows rapidly, tunity of expressing their views as to whether as we believe it will grow, in population, it any, and if so what, inducements could be is not necessary to say that just in like proheld out to the N B. Railway Co. to lead portion will the demands upon the County them to locate their construction works in for consumable produce be increased. Busi this Town. Quite a respectable number of ness attracts business, and the centralization rate-payers was present and a good deal of natural law, be followed by the establish-enthusiasm was manifested. Whatever differences of opinion existed in the minds of the speakers with regard to the necessity for Town, there appeared to be a unanimity of opinion that should Woodstock be selected as the site for the Railway Works, it would be greatly beneficial to her interests. It is not necessary that we should report the

speeches, as the discussion took a wide range and embraced the ventilation of many views not pertinent to the question at issue. Worship thought it was not wise to make any offer until the necessity of doing so was proven; the Works might be brought here whether we took any action in the matter or not. Mr. Burpee had promised to let he had no word from him. He thought they ought to know the minds of the Railway Co. on the matter before making any offer.

Messrs. L. P. Fisher and Wm. Lindsay made warm speeches, going over the history most suited their convenience, irrespective of boat, and when they had reached about two- said, Mr. Sisson in the office of Post Master, as The route was lined with troops and the station
