It should be kept tection it affords in sudden attacks. In Whooping - cough and Consumption there is no other remedy so efficacious, soothing, and helpful. Low prices are inducements to try some of the many mixtures, or syrups, made of cheap

and ineffective ingredients, now offered, which, as they contain no curative qualities, can afford only temporary relief, and are sure to deceive and disappoint the patient. Diseases of the throat and lungs demand active and effective treatment; and it is dangerous experimenting with unknown and cheap medicines, from the great liability that these diseases may, while so trifled with, become deeply sented or incurable. Use Ayen's Cherry Pecronal, and you may confidently expect the best resulfs. It is a standard medical preparation, of known and acknowledged curative power, and is as cheap as its careful preparation and fine ingredients will allow. Eminent physicians, knowing its composition, prescribe it in their practice. The test of half a century has
