Jottings.

Wednesday night was the coldest of the season; 26° below.

Lieut. Col. Baird was in town during the week.

Florenceville items received just too late for this issue. Will appear next week.

The decrease of the United States debt during December was nearly $13,000,000.

Upper Woodstock Items.

January 19th 1882.

The Annual Shcool Meeting of this district was held on Thursday last, in the School-house. The meeting, which was most harmonious in its character, was presided over by Mr. A. C. Plummer Mr. Henderson acting as Secretary. The Report of the Trustees, Messrs. F. P Sharp, Samual Hamilton, and A. Henderson, Sec., showed the finances to be in a healthly condition. The balance reported on hand is $171,00. The Assessment List for past year, amounting to $550. is collected excepting $100. This creditable exhibit either testifiies that the N. P. is productive of good, or that Sec. Henderson is a diligent collector. The retiring Trustee, A. Henderson, was re-elected to that office, as well as Mr. D. J. Holder to that of Auditor. The amount of Assessment voted for the current year is $475. The total number of pupils enrolled in the two departments of the School is 79.

In October last a number of young ladies of this village, desirous of having a Society for social improvement, organized themselves into the Upper Woodstock Ladies' Club. Since that time regular weekly meetings have been held, which have been rendered very pleasant by a varied programme being executed on each occasion. Assisted by some of their friends, they expect in a short time to treat the public to an entertainment, due notice of which will appear in your next issue.

The Presbyterian Mite Society met on Tuesday evening at the residence of Mr. A. Henderson. A goodly number were up from town. A very interesting programme was carried out, which added much pleasure to the occasion. Mr. Chas. McLean acted as chairman of the meeting in a very prompt manner. Pleased with the success of their first meeting in Upr. Woodstock, the society determined to hold their next weekly meeting at Mr. S. Hamilton's.

The Skating-rink, to which reference in your columns has already been made, is now in good working order and receives a large patronage The rates for non-residents have not yet been fixed.

Mr. A. Henderson, in order to accommodate the increasing demands made upon his factory, has disposed of his old engine, and replaced it by one of considerable more power. He will be better prepared than ever to efficiently serve his customers.

Councillor G. R. Ketchmm still continues to carry on his active export business. The value of the hay pressed in his establishment in the course of a year represents a large sum. The farmers of our county owe much to such men as possess Mr. Ketchum's spirit.

Mr. David Philips although retired from the boot and shoe business, still conducts a first class tannery. Mr. Caleb Crawford is the Active manager of the establishment. Mr. Crawford's ability to produce a good article is well known—his harness leather, particularly, receiving commendatory mention.

Centreville Items.

January, 1882.

Elder Young has been holding meetings here for some time. He has baptised ten persons and admitted them to the Baptist Church.

There are some of our men going to start for the West soon; satisfied with the N. P., but want higher wages than they can get here.

DONATION.—The friends of Elder A. Taylor, met at his residence on Thursday last, to make him a visit. After partaking of a first-class supper, which the ladies had provided, G. W. White was called to the chair. Some very good remarks were made by A. E. Hartley in reference to the early settlement of the place.

When the amount was received it footed up to about seventy dollars. The Elder made a feeling reply, and all seperated feeling satisfied with the meeting.

I think that the M. P. P.s for this County had better appoint some J. P.s in the west part of Wicklow, so that they might have their delinquent list collected at home.

Our school meeting passed off very pleasantly. G. E. McClintock retired; G. W. White elected in his stead. The business of our school is in a very healthy condition.

Southampton Items.

The long looked for snow has come at last, and the lumbermen are now to work in high spirits.

Mr. John Grant is operating very extensively at Deer Lake, and loading cars on the N. B. & C. Railway, both with logs and hemlock bark.

The new cheese factory at the mouth of the Campbell Settlement road, has been talked up, and the following persons have been duly organized into a company, viz: Samuel Rollings, W. Gallop, B. S. Cronkhite, Cyrus Farnham, Geo. Hartin, William Brown, Geo. Clynick, Ezra Tabor, Hezekiah Cronkhite and Samuel Schriver. The company will be known as The Southampton Cheese Manufacturing Company, and the capital stock of said company shall be $2,000 which will be divided into four hundred shares of five dollars each; the shares are already being taken up, and the company are making preparation to go to work in early spring, and we feel assured the country will be highly benefitted and delighted with this movement.

The new extract works at Pokiok, are now completed and running day and night.

Mr. Wm. Brown is doing a very extensive business in the dry goods line; he has a very large and commodious store attached to his residence, and gets custom from all quarters.

Grafton Items.

Jan. 17th, 1882.

SCHOOL MEETING.—A considerable number of the rate-payers attended the Annual Meeting on Thursday. Rev. G. W. McDonald was returned Trustee and G. W. Hovey Esq. elected Auditor, after which four hundred and twenty dollars were voted for general school purposes. The meeting was a calm one throughout.

BRIDGE.—Mr. Haines of St. Marys is engaged in finishing the repairs which were begun on the bridge last winter. He is a masterly workman and understands his business well. In addition to the half-pier which was put up last winter another is being built. The draw and one of its piers will be removed and the span continued. This will tend to remove the danger in which the bridge is placed by logs jamming against the draw piers.

LOOK OUT.—Any man, woman, or child who drives a horse and sleigh from the ashes of Mr. Allen's house, across the track and river, up the road below Mr. Noble's blacksmith shop, to Main street and does not meet with a smash-up of some description will, by presenting his claim to P. Fuydf & Co., 23 Catastrophe Avenue be presented with a piece of poetry entitled "The boy who never told a lie."

Andover (Victoria Co.) Items.

Jan. 17, 1882.

The man Melville, in prison here on a charge of Bigamy, and who, it will be remembered was forcibly abducted from Fort Fairfield, is waiting the result of the demand made by the American officials for his surrender. It is generally supposed here that he will have to be given up to the Americans.

The County Council assembled here to-day. The Councillors are:—

Andover—S. A. Cameron, George Baird;
Perth—Enoch Lovely, Wm. Paul;
Lorne—Wm. Everett, John Barker;
Drummond—Geo. W. Day, J. C. Upham;
Grand Falls—Chas. McClusky, W. C. Burpee;
Gordon—Alex. Walker, John D. Giberson.

Councillor McCluskey was unanimously chosen Warden. R. W. L. Tibbits and John McCluskey were re-elected Secretary Treasurer and Auditor respectively.

The Secretary Treasurer's report shows a remarkably satisfactory state of the finances. Receipts of the year were $9,058.24; expenditures, $7,406.86; balance on hand, Dec. 31st, $2,650.38. All matured debts against the County have been paid.

The Councillors expressed great satisfaction at the way the Sec. Treasurer, Mr. R. W. L. Tibbits, has discharged his duties, and paid that gentleman many compliments over the correct and neat method of keeping the County accounts.

The Council adjourned *sine die* Wednesday evening.

Grand Falls has determined to expend $2,000 on a new school house. Such a building has been long wanted, and the new structure will doubtless be of the most improved description and a credit to the village of Grand Falls.

Melville, the bigamist, broke jail on Tuesday night and made good his escape. There are not many tears shed here over his departure. Speaking of this man's abduction from Fort Fairfield, some papers speak as though the kidnappers were all from the Province side of the lines, while the fact is, so we are credibly informed, that far the larger part of the number were persons who live on the American side of the boundary.

A donation party to the Rev. Charles Henderson, was held at that gentleman's residence, Andover, on Wednesday evening. A goodly number of persons, comprising members of all denominations, was present. After tea had been served, R. H. Davis, Esq., was called to the chair, who in a neat speech presented Rev. Mr. Henderson with goods and cash to the amount of over $23. The Rev. gentleman returned thanks in feeling terms Brief remarks were made by Mr. Jas. Watts, G. W Day, Deacon Jas. Wright, Mrs. Justus Wright and Deacon Jas. Sloat. A very pleasant evening was brought to a close by an appropriate piece of music, Miss Annie Wright at the organ, and prayer by Rev. Mr. Henderson.

Murdock McKenzie writes, Nov. 22, 1881, from Boulardarie, Back lands, Cape Breton, N. S:

"I am not a millwright, never was, nor even inside a grist mill in my life before I put up the portable grist mill I purchased from you. I put up your portable mill myself, and am now turning out first-class flour. I believe it to be the best flour mill on the island of Cape Breton, and I feel that I can recommend it to any one in want of a first-class flour mill, as it is simple, efficient, and easily managed by a novice.

Mr. McKenzie purchased the No. 28 establishment exhibited at Halifax Fair. A COMPLETE MILL FOR $625.
