#### Miscellaneous.

TROUBLE FROM READING A PAPER .-man came into the office on Tuesday wit a black eye, a strip of court plaster across his cheek, one arm in a sling, and as he leaned on a crutch, and wiped the perspiration away from around a lump on his forehead with a red cotton hankerchief, he asked if the editor was in. We noticed that there was quite a healthy smell of stock vards about the visitor, but thinking that in his crippled condition we could probably whip him, if worse came to worse, we admitted that we were in. · Well, I want you to stop my paper, said he, as he sat down on one edge of chair, as though it hurt. 'Scratch my

name right off. You are responsible for my condition.' Thinking the man might have been taking our advice to deaf men, to always without any argument, believing that he was a man who knew when he had enough, when he spoke up as follows; "The amount of it is: I live out i

Jefferson County, and I came in on the new Northwestern road just to get recreation. I am a farmer, and keep cows. I recently read an article in your 120 00 paper about a dairymen's convention, 70 00 where one of the mottoes over the door 40 00 was, 'Treat your cow as you would ed by our best dairymen that a cow treat-40 00 ed in a polite, gentlemanly manner, as 30 00 though she was a companion, would give twice as much milk. The plan seemed 25 00 feasible to me. I had been a hard man 15 00 one reason my cows always dried up 15 00 when butter was forty cents a pound, and 45 00 gave plenty of milk when butter was only 20 00 worth fifteen cents a pound. I decided 25 00 to adopt your plan, and treat a cow as

you would a lady. I had a brindle cow that never had been very much mashed 26 00 on me, and I decided to commence on 354 00 her, and the next morning after I read \$3800 00 your paper, I put on my Sunday suit and a white plug hat that I bought the year Greeley run for President, and went to the barn to milk. I noticed the old cow

time I tapped her gently on the flank on the milking stool.'

· Did she hoist?, said we rather anxious to know how the advice of President Smith, of Sheboygan, the great dairyman, had worked. 'Did she heist? Well, look at me and see if you think she hoisted. Say, I tell you now in confidence, and I don't want it repeated, but that cow raised right up and kicked me with all four feet, switched me with her tail, and hooked Which for quality, variety and price me with both horns, all at once, and when I got up out of the bedding in the stall, and dug my hat out of the manger, and the milking stool out from under me, and began to maul the cow, I forgot

> We tried to explain to him that the advice did not apply to brindle cows at all, but he hobbled out, the maddest man that ever asked a cow to hoist in diplomatic language. - Milwaukee Sun.

of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. AYER'S PILLS are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be admin-istered to children with perfect safety.

AYER'S PILLS are an effectual cure for Constipation or Costiveness, Indiges-tion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhea, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus. As a Dinner Pill they have no equal. While gentle in their action, these PILLS are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimu-

late the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system. Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass.
