Thursday afternoon a severe storm passed over the town in which heavy thunder, vivid lightning, and a torrent of rain combined to make it startling for a brief time. The only damage we hear of was that done to the buildings of Mr. E. B. Jewett, upper part of the town. The lightning struck the corner window of his residence, shattering it in pieces and breaking some of the furniture in the room, and then following a water spout it tore the ceiling from the stable door, entering and setting fire to some sawdust and passing out through the side of the building. The fire was extinguished before doing much damage. The family were all fortunately absent. The damage done amounts probably to \$800.00.

The Sabbath School at East Florenceville held its annual picnic on Saturday, the 11th inst., on the grounds at the rear of the Baptist Meeting house. Our Sabbath School during the summer has been one of great interest. It was organized last May in the Baptist Meeting House. The Superintendent is Capt. A. D. Hartley, who is a faithful and energetic worker, and has the faculty of making the school interesting for the young. The grounds on which the picnic was held belong to Capt. Hartley, and are well suited for the purpose. Preparations were made during the forenoon to make the picnic interesting, by the men of this place. Tables were made, and swings, targets, etc., prepared for amusement. After dinner might have been seen the young, middle aged and old with baskets of provisions waiting their way to the picnic grounds. While the ladies were busily engaged preparing the tables the scholars were amusing themselves with their sports. About 2 o'clock the tables were filled by the children. Two older ones now filled up the tables, but soon the tables filled them up, and they left with the inner-man perfectly satisfied. Two hundred and forty took tea that evening. All these were prepared for by Capt. Hartley. Prizes were provided for the day were presented to the winners by Bro. H. B. Smith as follows:—Archery, Edward Saunders, a Bible; Base-ball, Albert Edwards, a prize book; Foot race, Annie Love, a prize book.

"Where God erects a throne of prayer, The devil builds an altar to sin."

While we were enjoying ourselves, not far distant was a specimen of the genus human dealing out sin; and I am sorry to say that some young men from outside had too many "shaggy naps" on board. May the Lord bestow the grace that will blot out all of existence. Far day's programme closed with some music, and we all went home feeling light hearted and cheerful after the day's recreation.

Bro. H. B. Smith has been laboring with us all summer; preached his farewell sermon yesterday afternoon, and leaves to-day for Nova Scotia. ALPHIA.
