C. C. S. S. CONVENTION.

PARISH CONVENTION. delegates, beside a number of visitors, were ferent. present.

S. Taylor, V. P., presided, and the meeting was opened with singing, and prayer by Slason Thompson, c Connell, b Winslow Rev. G. N. Ballentine.

Upon the roll being called it was found the E H. Allen, b Ketchum, following schools were represented by the C. L. Richards, b Winslow, parties named :-

Pembroke. - A. W. Hovey. Grafton .- G F. Atherton, Northampton .- S. A. Rogers. Woodstock. Presbyterian-Chas McLean. Advent-Mrs. J. D. Dickinson, Chas.

Dickinson, Methodist-J. Watts, E. M. Boyer, G. L. M. S. Baptist-Rev. G. N. Ballentine, G. F. C. Baptist-S. McLeod, Mrs. S. Mc-

Leod, Mrs. E. J. Clark, Mrs. J. A. Shea, R. O. Whelpley, Hugh Davis. Upper Woodstock. - D. J. Holder, W. T.

Benton .- S. J. Parsons, Mrs. S. J. Parsons. W. P. Jones, b Barker, A constitution for the government of the J. Tabor, c Hawthorne, b Barker, organization was adopted, in which it was T. C. L. Ketchum, not out, determined that the Convention shall be known as the " Woodstock and Northampton Parish S. S. Convention," and that the Convention shall hold half-yearly sessions,

the yearly meeting to be on the second Tuesday in July. The following are the officers for the cur Stephen Taylor-President. Geo. L. Holycke-Sec. Treas.

G. F. Atherton and Chas. Dickinson, men

The next session of the Convention is to be L. C. Macnutt, I b w. held in Woodstock, hour and room of meet- Frank Straton, c Winslow, b Harrison. ing to be settled by the Executive.

In the evening a public meeting under the auspices of the Convention was held in the Baptiet Church, the President in the chair. After singing, and prayer by Rev. Thos. Todd, stirring addresses on general Sabbath School subjects were delivered by the chairman. Ge). W. Hovey, J, E Drysdale, Revds. G. M. Campbell, G. N. Ballentine, G. W. McDonald, Thos. Todd, Messrs. S. J. Parsons and G. F. Atherton. Good singing interspersed the speeches, Miss Faulkner presiding at the organ. The attendance at the meeting was only fair.

Announcements .- On Sunday, 30th inst., M. J. Dow, Superintendent of Lower Brighton S. S., and the County Secretary propose to vieit Mount Pleasant at 9 a.m , East Coldstream, p. m., and Lower Brighton at a later

On the 7th October the Vice President Brighton, S. H. Shaw, and the Secretary propose to visit Windsor S. S. in the a. m.; Rockat that place.

There will be a meeting of the Executive of the County Convention, at the SENTINEL

BEGIN AT HOME .- The Rev. Thomas Spur geon, son of the Metropolitan Tabernacle in give such manifold success to his distinguish- ed and responded to in happy terms ed father. In an article in "The Sword and Trowel" on "The Deserted Claim," based on the re-opening and profitable working of some of the once shandoned gold mines of Australia, Thomas Spurgeon makes an "improvement" of the subject, which is applicable to discouraged Sunday school teachers everywhere, thus

" Work on, Sunday-school teachers; there are still some nuggets in your class. It is J. T. Sharkey not a bad plan to begin in a fresh place and etrike out in new ground, but be sure the old is thoroughly worked out first. I like the idea of these companies sinking for gold in back-yards at the rear of dwelling-houses, and turning cottages into mining offices. Do the same in working for Jesus. Begin at home. Look for the gold of the kingdom in your family. Turn your house into a sanc | Capt. Lynch and Licut. Garden. tuary; carry on business for Jesus on your own premises; never mind if it can only be in a small way. Christ often comes to cot. W. Winslow

Surely there is no Christian worker who Res. by Mr. Straton. home and neighborhood work. The masses Res. by Mr. Hooper. need to be recognized, not as masses, but as to the better life one by one, Each family McLaughlan. should consecrate its own home to Jesus, and then strive to send the gracious influence into the home next-door, and that to the next, and so on until the widening circle includes all the families of the human race in the one great family of God. Are you in by Mesers Richards and Barker. doubt where to begin work? Begin at home!

CITY OF MEXICO. (concluded.) The bridge is in the shape of a horse sho the ravine, and when crossing the bridge can see the engine almost directly opposite, as will fail, and as well that that Act will in the | wrought iron which came from the works of Crumbere, England. It rests on eight pillars, also of iron, and on solid masonry, so as to ment of the County being right, such efforts the rails in their places; besides, there is a feet, as we are now in a valley-which appear insurmountable, but as we advance we perceive that we are ascending, and as we look from our window we notice the railroad on the side of the mountain 2 000 or 3 000 feet above us and quite near, and wonder how we are to arrive at that height, but the Lewis Bell, streets, \$9 10; Frank Wallace, train moves steadily forward, and we think The Engineers estimate of materials thus in a few minutes, but in this we are disapfar furnished and work performed on the con- pointed, as we find that we meander around

that we shall be at the top of the mountain 15 or 20 miles before reaching the sum-David W. Smith. Bristol,-Stumping Johnston & Co, to be \$11 211 45, was sub. cent, looking down into the valley and beholding the beautiful villages below us, and tropical growths. A few miles from the Metlac Ravine is Mount Sumidero, into the interior of which the river Sonso disappears momentaneously, but reappears further on. A short while afterwards the valley of Orizaba is in sight. It presents to the eye the appearance of an immense luxurious garden, in the middle of which the town is seen, with its flat roofed and white houses, and with domes and steeples looking like thimbles and needles compared to the peak, which stands 17,375 feet above the level of the sea, with it grand head white with the snow of countles ages and entwiced with white fleecy vapors, which cling lovingly around it far into the deep blue cloudless sky. Next him stands his royal sister, La Mugei en blanco, (The woman in white), and opposite stands the wife, a mighty mountain, but not snowcrowned as the others; instead it is covered with deep green pine forests up to within four each with its white church and rich wide corn fields. Right before us, standing out bold and clear and sharp in all its outlines against the sunlight sky of Mexico, white, cold and peerlessly beautiful stands the monof preparing it for market. We are fully pearance, is being done in the most workman- zaba." I have looked at the picture in wonlike and substantial manner. Some idea can der and delight and yet can find no words with which to describe the emotions that

follow the realization of the dream of a life time. The city of Orizaba has a population of 12,500 inhabitants, and is a very active town. It has a large spinning and tissue mill, as well as a paper factory and three or four four mills. The climate is rather humid ture is 72° Fahr. The first church was built by the monks of San Francisco themselves. transporting his supplies. Yours truly,

Come and commiserate

One who was blind

Helpless and desolate,

Void of a mind;

Guileless, deceiving,

Though unbelieving,

Free from all sin.

The world I was in.

And Tiglath Pileser's

Wise men, astrologers,

All are acknowledgers

Mine is unknown.

I ne'er had a father Or mother; or rather

Alive at my birth;

Lodged in a palace,

Hunted by malice,

By lineage or merit,

A spot on the earth.

But one look of kindness

She cast on me never:

Nor a word in my blindness

I heard from her ever;

By foemen and strangers

Kept a grown for a prince

Filled the place of a king,

But ne'er sat on a throne;

Was what I seemed not, seemed what I was not

(What marvel a blight should pursue till she die.)

'Twas royalty nursed me,

Wretched and poor;

'Twas royalty cursed me,

live not, I die not, but tell you I must-

Say, was I a king or a silly pretender?

Fathom this mystery

Deep in my history

Was I a man?

An angel supernal?

A demon infernal?

That ages have passed since I first turned to dust.

I saved, I destroyed;

I blessed, I alloyed;

Devoted to slaughter,

A price on my head,

A king's lovely daughter

Rescued a warrior; baffled a plot;

Nothing could harm me-

Naught could alarm me;

But had none of my own;

Compassed by dangers,

Nursed among pagans, no one baptized me;

She gave me the name of her heart that

She gave me the place to her bosom was

A sponsor I had who ne'er catechised me;

I did not inherit

was dearest;

If I had, neither

King Ptolemy's, Casar's,

Birthdays are shown;

By mortals adored,

Still I ignored

Monument Settlement, Richmond, on Monday. we pass through luxuriant plains, mounts fruits; bright feathered and cheerful birds; "A Missionary Riddle." If it be looked for in Whether it be the result of early frosts; of the but at a few miles from there the aspect one of the historical books of the Old Testament long continued dry spell or of the natural laws gradually changes and you see the natives it may not be looked for in vain) traces of vegetation have disappeared; not a tree and not even a shrub to be seen; and still less any living being. A scanty stream runs from rock to rock into its depths and tested against the fate which condemns it to by the rattling of the train. In this vicinity to reel. At one place it was necessary to the only injury sustained was a slight bruise on the cheek and side of the head. It was a miracu-through "Little Hell." It is only about wide enough for trains to pass through, and there is a bridge from the bottom very bigh. but how high I could not ascertain, and could not look out of the car window, as I would stand a chance of baving the decapita-

tion act performed by some of those large rocks that project from the sides.
