Tapley's Remedy.
— FOR —
Nervous Headache, Neuralgia AND SCIATICA.

THIS MEDICINE which is a Vegitable Compound, acts directly upon the Nervous System and is unequaled by any other medicine now before the public for the cure of *Neuralgia Nervous Headache and Sciatica.*

During the last two years it has been extensively used in various sections of the country with such satisfactory results that the Proprietor has been urged to put it before the public as a *Great Alleviator of Nervous Diseases* It is no Quack Medicine, being prepared by the prescription of a Surgeon in the British Army, and the Proprietor relies on his own standing in the community as a guarantee of his honesty of purpose in placing it before the public Wherever it has been used according to directions, it has never failed to produce the most satisfactory results In ordinary cases three or four doses will remove all pain, a few additional doses will remove the cause of the pain. Many persons of undoubted veracity, who have used this medicine have frequently offered testimonials as to its efficacy in the above complaints. In offering it to the public, we do so with the utmost confidence in its medicinal merits for the cure of the troubles named. Full directions accompany each bottle. For sale at the following places:

Miscellaneous.

If they keep on we shall have kid gloves reaching to the shoulder.—*Detroit Free Press.*—Let 'em keep on, dear boy, till the kid gloves with a dainty pair of hands in them reach to your shoulder and rest there, and then when you bend down and brush a lovely little nose with your moustache you'll think you were an old goat not to have a pair of kids reaching to your shoulder before.—*Boston Commercial Bulletin.*

MORE THAN ALL OTHERS.—J. Kennedy, of Dixie, sells more of Hagyard's Pectoral Balsam than any other cough remedy, his wife having been cured of a severe cold by its use; he has since recommended it to his customers. It cures all throat and lung troubles leading to consumption.

'Oh, say, ma!' exclaimed a bright six-year-old girl, while at dinner at a hotel, 'hasn't that man over there got dreadful big ears!' 'Hush, child; the gentleman might hear you," cautioned her mother. 'Well, I guess if he couldn't hear me with those ears,' quickly chirped the youngster, 'he had better haul 'em down.'

REMARKABLE AND TRUE.—Alonzo Howe, of Tweed, was cured of a fever sore of thirty-five years' duration, by six bottles of Burdock Blood Bitters a marvellous medicine.

An affectionate mother noticing her little daughter wiping her mouth with her dress sleeve, asked her what her handkerchief was for and received for answer: 'It's to shake at the ladies in the street; that's what papa does with his.'

A FACT WORTH MENTIONING.—Mrs. Ira Mulholland, of Oakville, was cured of dyspepsia and oft occurring bilious headache, by the use of Burdock Blood Bitters, the great blood purifying system regulating tonic, and matchless liver regulator.

A woman who had four sons, all sailors, compares herself with a year, because she has four sea-sons.

There never was, and never will be, a universal panacea, in one remedy, for all ills to which flesh is heir—the very nature of many curatives being such that were the germs of other and differently seated diseases rooted in the system of the patient—what would relieve one ill, in turn would aggravate the other. We have, however, in Quinine Wine, when obtainable in a sound undiluterated state, a remedy for many and grevious ills. By its gradual and judicious use, the frailest systems are led into convalescence and strength, by the influence which Quinine exerts on Nature's own restoratives. It relieves the drooping spirits of those with whom a chronic state of morbid despondency and lack of interest in life is a disease, and, by tranquilizing the nerves, disposes to sound and refreshing sleep—imparts vigor to the action of the blood, which being stimulated, courses throughout the veins, thereby making activity a necessary result, strengthening the frame, and giving life to the digestive organs, which naturally demand increased substance—result, improved appetite. Northrop & Lyman, of Toronto, have given to the public their superior Quinine Wine at the usual rate, and, gaged by the opinions of scientists, this wine approaches nearest perfection of any in the market All druggists sell it.

'I stoled your money,' wrote a thief to his employer, 'Remores naws at my conshense, and I send some of it back. When remores naws again I will send some more.'

"ROUGH ON RATS."—Clears out rats, mice, roaches, flies, ants, bed-bugs, skunks, chipmunks, gophers. 15c. Druggists.

Mothers! Mothers!! Mothers!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle.—1yr-13

KENDALL'S SPAVIN CURE

The Most Successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW.

Kendall's pavin Cure.

Hamilton, Mo., June 14th, 1881.

B. J. KENDALL & Co.,—Gents:—This is to certify that I have used Kendall's Spavin Cure and have found it to be all it is recommended to be and in fact more too; I have removed by using the above Callous, Bone Spavins, Ring-bones, Splints, and can cheerfully testify and recommend it to be the best thing for any bony substance I have ever used, and I have tried many, as I have made that my study for years.

Respectfully yours, P. V. CRIST.

Kendall's Spavin Cure.

New Hamburg, Ont., Dec. 28th, 1882.

MR. F. H. MCCALLUM—Dear Sir:—The bottle of Dr. Kendall's Spavin Cure bought of you last summer gave me the utmost satisfaction and performed a wonderful cure upon a mare nineteen years old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again.

Yours truly, J. F. ROTH.

Send address for Illustrated Circular, which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

A LECTURE TO YOUNG MEN
On the Loss of
MANHOOD.

We have recently published a new edition of **Dr. Culverwell's Celebrated Essay** on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to marriage, etc., resulting from excesses.

☞ Price, in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practise, that alarming consequences may be radically cured without the dangerous use of internal medicines or use of the knife; pointing out a cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be may cure himself cheaply, privately and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.
