A NOTED BUT UNTITLED WOMAN.

[From the Boston *Globe*.]

Messrs. Editors:—

The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhœa, irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only $1. per bottle or six for $5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of *either* sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are *the best in the world* for the cure of Constipation, Biliousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole ambition is to do good to others.

Miscellaneous.

Pat—'I say, Moike!'
Moike—'Well, Pat?'
Pat—'If oi don't get work I'll assassinate meself!'
Maike—'Shure, an' if ye did, then ye'd be hung for murder!'
Pat—'Begorra, oi turgot that.'

THIS IS RELIABLE.—R. N. Wheeler, Merchant of Everion, was cured of a severe attack of inflammation of the lungs by Hagyard's Pectoral Balsam. This great throat and lung healer cures weak lungs, coughs, hoarseness, bronchitis, and all Pectoral complaints.

It may be that the answer of the poor servant-girl may find a response in other hearts. Some one said to her, 'Well, Mary, I hear you have left your old place. Where do you live now?' She replied with a pleasant smile, 'Please, marm, I don't live nowhere now—I'm married.'

POPULARITY.—Why they are popular. The reason that National Pills are so universally popular is because they are certain in their action, mild and painless in their operation, and never leave the bowels constipated. They are sugar-coated, and contain no mineral poison.

'I believe you are a fool, John,' testily exclaimed Mrs. Miggs as her husband unwittingly presented her the hot end of a potato dish, which she promptly dropped and broke. 'Yes,' he added resignedly, 'that's what the clerk told me when I went to take out my marriage license.'

A REMARKABLE FACT.—It is a remarkable fact that W. A. Edgers, of Frankville, who was so far gone with liver and kidney complaint that his life was despaired of, was cured with four bottles of Burdock Blood Bitters. At one time he lay a fortnight without an operation of the bowels.

Scandal, when it has truth in it, is like a grease spot on new cloth, but when there is no truth in it it is like a splash of mud, which will come off easily when dry.

There never was, and never will be, a universal panacea, in one remedy, for all ills to which flesh is heir—the very nature of many curatives being such that were the germs of other and differently seated diseases rooted in the system of the patient—what would relieve one ill, in turn would aggravate the other. We have, however, in Quinine Wine, when obtainable in a sound unadulterated state, a remedy for many and grevious ills. By its gradual and judicious use, the frailest systems are led into convalescence and strength, by the influence which Quinine exerts on Nature's own restoratives. It relieves the drooping spirits of those with whom a chronic state of morbid despondency and lack of interest in life is a disease, and, by tranquilizing the nerves, disposes to sound and refreshing sleep—imparts vigor to the action of the blood, which being stimulated, courses throughout the veins, thereby making activity a necessary result, strengthening the frame, and giving life to the digestive organs, which naturally demand increased substance—result, improved appetite. Northrop & Lyman, of Toronto, have given to the public their superior Quinine Wine at the usual rate, and, gaged by the opinions of scientists, this wine approaches nearest perfection of any in the market All druggists sell it.

The devil has one redeeming trait. He never gives a boarder a cold room.

Mothers! Mothers!! Mothers!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle.—1yr-13

Tapley's Remedy.
— FOR —
Nervous Headache, Neuralgia AND SCIATICA.

THIS MEDICINE which is a Vegitable Compound, acts directly upon the Nervous System and is unequaled by any other medicine now before the public for the cure of *Neuralgia Nervous Headache and Sciatica.*

During the last two years it has been extensively used in various sections of the country with such satisfactory results that the Proprietor has been urged to put it before the public as a *Great Alleviator of Nervous Diseases* It is no Quack Medicine, being prepared by the prescription of a Surgeon in the British Army, and the Proprietor relies on his own standing in the community as a guarantee of his honesty of purpose in placing it before the public Wherever it has been used according to directions, it has never failed to produce the most satisfactory results In ordinary cases three or four doses will remove all pain, a few additional doses will remove the cause of the pain. Many persons of undoubted veracity, who have used this medicine, have frequently offered testimonials as to its efficacy in the above complaints. In offering it to the public, we do so with the utmost confidence in its medicinal merits for the cure of the troubles named. Full directions accompany each bottle. For sale at the following places:
