George H. Davis, Esq.—Dear Sir,—In answer to your letter of enquiry relative to the benefit derived from Davis' Quining, Iron and Wing, allow me to say that I consider it a wonder

and the best Tonic I have ever used, having tried several others without having been benefitted any. I was induced to try your Quinine, Iron and Wine, and am now a new man, having gained by its use my former strength and activity, and as for my appetite, it never was better.
