Miscellaneous.

In selecting a wife choose a girl with a strong will and hot temper. She will be more apt to walk with the baby at night.

'An' that's the Pillar of Hercules? she said, adjusting her spectacles. 'The hand asks! What's the rest of his bed-clothes like, I wonder?'

For Cramps, pain in the Stomach, Bowel Complaint or Colic, use Perry Davis' Pain Killer. See adv. in other column.

'This isn't a menagerie,' sharply observed an irascible domestic to a man who was trying to force a passage through the crowd at a church doorway. 'No, I presume not,' returned the stranger, 'or they wouldn't leave any of the animals to block up the entrance.'

Humbugged Again.

I saw saw so much said about the merits of Perry Davis' Pain Killer, that I decided to try it. I had a severe cold, and my head was aching, and my back was sore, and my stomach was full, and my bowels were constipated, and my nerves were all out of order, and my whole system was in a state of prostration. I tried many remedies, but nothing did me any good. I then tried Perry Davis' Pain Killer, and in less than two months I was cured. I am now as well as ever, and I can truly say that Perry Davis' Pain Killer is the best medicine I ever used. I will send you a bottle of it free of charge, if you will send me a card telling me where you live.
