A WORD TO TEACHERS IN S. S .- Are you having success in your work as a teacher If you think you are, or if you think yo are not, what do you mean by success in the sphere? What are you seeking to do? success the holding of your scholars' atten tion to their lesson week by week? Is it th giving them an intelligent understanding the Bible lessons they go over? Is it the at taching their hearts to yourself? Is it th securing their personal faith in Jesus as their Saviour? Is it the upbuilding of them in the knowledge of God's Word, and in the love of their Redeemer? What is success as you look at it?
