A new large swinging sign now graces the general dealers in Canada. front of the Gibson House. It was painted by Mr. Hughes. The back ground on one side is painted black, the other blue; the lettering is in The Road Committee is doing good work now in repairing and laying down new sidewalks.

the new one being laid on Chapel street will be the best of the sidewalks of the town. The work of remodelling the Methodist Church has been begun. Mr. J. F. Turner is the contractor, and he is pushing the work with his wonted energy. Evangelist Chubbick is holding a very inter-

esting series of meetings at Jacksonville. A large number of persons from Woodstock went. out to his meetings on Sabbath. Dr Sharp and family left on Monday night to take up their residence at Minneapolis. In Dr. Sharp's departure the profession has lost an able member, the church a zealous, consistent worker, the community a valuable citizen. We say good bye to the Dr. with regret, and extend hearty wishes for his future welfare.

Over 20,000 Registered Letters are handled yearly in the Woodstock Post Office Mr. David Jones, this year, beats any of his previous records in the early potatoe raising line. On Wednesday he presented us with some new potatoes of the Early Rose variety of very respectable proportions and weight.

The new Time Tables on the several railroads went into effect on Monday, including the inauguration of the "Flying Yankee." Good time has been made, and the running throughout has been smooth. On Tuesday Conductor Augherton's train came from McAdam in 1 3-4

Mrs. Wm. Connell, Ferryville, while feeding her poultry in the barn, on Sunday, fell through a fooring a distance of some ten feet, and was quite seriously injured. Dr. Connell was called. The patient is, we are glad to know, recovering. Mr. H. B. Hay is home from the College of Physicians & Surgeons, N. Y., for the summer

Messrs. F. A. Todd, Hon, F. A. Pike, Henry Osburn, J. D. Chipman and C. H. Clerke arrived in Town from St. Stephen, on Wednesday

Falls, was in town on Wednesday. Main St. Baptist Church on Sabbath next (24th)

Mr. D. E. Dunham, Government Architect, reached here on Saturday and registered at the Gibson House. Mr. Dunham was here to inspect the work thus far done on the new Post Office with which he expressed himself satisfied. He appeared to take pleasure in showing and explaining the plans of the new building to all who desired. Mr. Dunham will recommend some slight changes in the plan which will give more HERRING BONE light to the cellar and make the internal arrangement of some of the rooms more convenient for the officials who occupy them. He expects to be in Woodstock a large portion of his time during the summer in order to a personal supervision

of the work of construction of the building re-A survey for a route extending the N. B. Railway from Edmundston to the St. Lawrence will be proceeded with at once in charge of

Hon. Isaac Burpee arrived from the west or Wednesday. The N. B. Railway Co. have commenced building a new station house at Benton, and will shortly greatly improve and enlarge the station accommodations at St. Andrews.

On account of the heavy rain which prevailed, the Tea Meeting at Knoxford on Wednesday 55 cts. PER YARD. again held on Monday afternoon next, 25th inst, when all who attend may expect a pleasant Rev. G. N. Ballentine administered the rite

of baptism to one candidate on Sabbath morning, and in the evening admitted two to membership in the Main St. Baptist Church. Four candidates were publicly received into the membership of the Methodist Church, by Rev. Geo. M. Campbell, on Sabbath evening. On Saturday last a little boy fell into the Meduxnakeag, just below the dam, near Davis' Mill, and would certainly have been drowned had it not been that Charles Thornton boldly plunged into the stream and swam to and

brought him ashore. The "American House," St Andrews, was destroyed by fire last week. It appears as though the fire was the deliberate work of an incendiary. Hugh Waddell has been committed can be made to order on the for trial charged with the offence. The Free Baptist General Conference meets

in annual session, at Pembroke, on the 7th of Two members were received into the membership of the Albert street Baptist Church on Sabbath evening last by Rev. Thos. Todd. This makes 26 members added to this church recently. We notice by the Hali ax Chronicle that our young friend, B. Lynch, who occupies a position as telegraph operator in the Train despatcher's

office at Truro, N. S., has been appointed organiet of the Catholic Chapel in that place. The St. John Globe says;-" Gunter & Co.'s mill at Marble Coye, Indiantown, called the 'toy mill' by those who did not know its capacity, turned out 30,000 shingles yesterday in about nine hours. Gunter & Co. have the Connell (Woodstock) machine, and it is claimed it does better work than the American article." Daniel Belden and his little boy went into the woods at Anagance, King County, last week, to get Sarsaparilla roots. The father sent his short distance off, when presently he heard the lad scream, but on hastening to the place from whence the sounds proceeded he could find no trace of the child. After some search the tracks of a large bear were discovered, and it is supposed that the animal carried off and devoured

Florenceville Items.

The crops, particularly grae dare looking exceedingly well, and the prospect at present is that there will be an abundant hay crop. Potato bugs are out in force wherever the crop has appeared above ground. Rev. A. E. Lepage is at present, with Mrs. Lepage and family, enjoying a visit to Prince

Mr. Hedley C. Taylor, who spent the winter at the Male Academy, Sackville, is spending his vacation with his friends here. The Methodist Tea Meeting on Saturday last was, as similar entertainments in Florenceville alweys are, a very pleasant affair. The amount

realized was about \$160.00. The little steamer owned by F. Shaw & Bros. arrived here for the second time last evening, and proceeded up river this morning.

Church here last Sundsy afternoon, Rev. J. G. Harvey, who has been pastor of the church durentries will be large, and that horses from Massachusetts, St. Stephen, St. John, Fredericton, gagement would expire on July 1st. Mr. Harvey's retirement will leave a vacancy which will most terrible and excruciating manner. work well when new, unless very carelessly made The difference in them is not much in the work they do, but there is very much in the ease with which the team and driver can work the different 15 Lawn Mowers. machines. Some machines are made to sell quick

COSSITTIS BUCKEYE MOWERS

will run easy, wear long and do good work. They have been made upon the same system or principle of gearing for twenty five years. It is the strongest and yet the simplest system of gearing made in any mowing machine. There are four gear wheels only. That is as few as can be made from the wheels turning on the ground to the knife cutting the grass.
Skilled mechan cs and scientifically trained en-

ginears whenever called up in to superintend long and thorough field trials have testified that the Buckeye principle of gearing combines the great-est strength with the greatest dural lity, and was not surpassed by any other in lightness of SITT'S BUCKEYE MOWERS to farmers in the
