A NOTED BUT UNTITLED WOMAN.

[From the Boston Globe.]

Messrs. Editors—

The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhœa, irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only $1. per bottle or six for $5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of *either* sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are *the best in the world* for the cure of Constipation, Biliousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole ambition is to do good to others.

Miscellaneous.

Homer had to wait 3,000 years before he got into print; but times have changed, and now a little overmuch whiskey and a wild yell or two on the public streets will do the business for anybody.

Don't be Alarmed

at Bright's Disease, Diabetes, or any disease of the kidneys, liver or urinary organs, as Hop Bitters will certainly and lastingly cure you, and it is the only thing that will.

'Have you a life lease of that mouth of yours!' said an ill-natured man to a friend whose mouth was very large. 'No,' was the good-humored reply. 'I only have it from *year* to *year*.'

For Toothache, Burns, Cuts and Rheumatism, use Perry Davis' Pain Killer. See adv. in other column.

The longer a man lives the more he knows—that he don't know much.

For Cramps, pain in the Stomach, Bowel Complaint or Chills, use Perry Davis' Pain Killer. See adv. in other column.

Hens may be a little backward on eggs; but they never fail to come to the scratch where flower beds are concerned.

Daughters, Wives, Mothers, look to your health! The many painful and weakening diseases from which you suffer, dispairing of a cure, can be remedied by that unfailing regulator and unfailing tonic—Burdock Blood Bitters. Ask your Druggist for proof.

Men are frequently like tea—their real strength and goodness are not properly drawn out until they have been in hot water.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETING. Its value is incalculable. It will relieve the poor little sufferers immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETING is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

'A cat has nine lives.' But even that doesn't enable you to comprehend how you can hear her or him, as the case may be, spit, and squall, and yell in fifteen different places on four shed roofs and two fences at the same time. Alas! how weak and vain a thing is science after all.—*Hawkeye.*

DREADNAUGHT.

CHESTNUT HORSE, foaled 1868, by Fearnaught, record, 223½, by young Morrill, sire of Draco, Hiram Woodruff, Danvill Boy, Mountain Maid, and other noted Horses. Dame of Dreadnaught was Lady Dix record 2 32, a very fine Mare; she by Ethan Aller, who beat Dexter in a race with mate in 2.15, half in one four, at nineteen years old, the fastest Stallion time ever made with mate. Dame of Lady Dix by Hambletonian. Dreadnaught is bred direct, in a first class trotting line, through distinguished horses, and is of kindred blood with all the prom nent trotters of to-day. He was sold to Col. Russell for Eight Thousand Dollars when four years old; he has shown great speed, trotting at Philadelphia to wagon in 2 35, to ice on time, 4 times, at Brunswick in 2 21. Should he be crossed with good mares, will be expected to bring speed. His colts are generally large and very promising.

Dreadnaught will stand at my Stable, Woodstock, this season of 1883, for $5.00 Single Service; $8.00 by the season; Season to end August 1st.

THOMAS DONONO, Owner.

Woodstock, May 9, 1883.—19

The Superior Trotting Stallion

Mambrino Monarch!

will make the season of 1883 at

McAnna's Stables, Woodstock

TERMS, $10.00 to Insure.

PEDIGREE.—This horse was bred at Coldwater, Michigan, U. S. His Sire is the famous Stock Horse and Trotter, Fisk's Mambrino Chief, who was sold for $12 000 when eight years old. He having then showed his superiority as a Race Horse for one mile up to five, beating Pilot Temple, 2 24½, Magna Charta, and others, making 2 26 in harness, also a record of 2 20½ under saddle, and 5 miles in 13 52. These performances, together with his size fine form, high breeding and great success in the stud, place him in the front rank of Stallions who have a National Reputation. He stands 16¼ hands, a majestic looking Dark Bay Horse, perfectly proportioned, and his progeny even to the second and third generation bear his stamp and inherit his speed. He is the sire of Mambrino General, record 2 25½; Woodchuck, 2 30, and a dozen of others with records on public trials close to 2.30; a pair of carriage horses by him are used by a member of the Vanderbilt family in New York City. He was bred in Kentucky and got by Clays Mambrino Chief, (sire of Lady Thorne 2 18½ and grand sire of Trinket, 2.14), dam by Birmingham, 2nd, 3rd, and 4th dams all got by first-class thoroughbred horses. Clay's Mambrino Chief was got by Mambrino Paymaster, a grandson of Messenger.

So much for the sire of Mambrino Monarch. His dam by Maid of Fordham, was got by Imported Monarch, who was from the Royal Stables at Hampton Court, England; His grand-dam was owned by Col. L. G. Morris, of Fordham, N. Y., who states she had every appearance of being a near descendent of imported Messenger. Monarch's dam was a noted brood mare and first prize winner at the State Fairs for many years. Her daughter by Magna Charta, record 2 25¾, (trials 2.20 and better) lately sold for $7500 and shipped to England.

QUALITIES.—Monarch is a young sire whose credentials are second to none. He has proven himself a fast and game trotter; his record of 2.21½ over a slow half mile track is no measure of his speed. He meets the breeder's wants.

He has the size to get Farm Horses. He has the ruggitness, style and action to get coachers, park and carriage horses. He has the blood to get colts as good as himself or his ancestors, and in due time, as sure as "like begets like," he will, as a sire of trotters and roadsters, keep the family name green for many a day.

DESCRIPTION.—He is a dark grey, stands 16¾ hands high, weighs 1300 lbs, a true made, muscular horse, full of good points and characteristics of the Mambrino family, which are soundness, good size, true easy gait, great endurance, excellent disposition and blood like appearance.

Breeders and horsemen generally are invited to inspect this horse. His introduction here has been very cordially received by all who desire to see the reputation of Carleton County and vicinity maintained for raising fine market horses and the highest type of fast trotters. There is every reason to believe that Mambrino Monarch will work himself up to the top of the tree as a sire of this class of stock.

CONDITIONS.—He is only put to insure and service fee payable when mare is known to be in foal. If she is either sold, parted possession with or not returned regularly to the horse she will be considered as in foal. $3 00 to be paid at time of service.

This horse will stand at or near, Park's, Lakeville, every Saturday. Season commencing 1st May.

For further particulars call or send for a circular.

"INDIAN CHIEF!"

WILL stand at the stable of the subscriber, in Woodstock, for the season of 1883

PEDIGREE.—"Indian Chief" is six years old, was sired by "Cobbler," he by "Nattie Cobbler," he by "Megg's Abdallah," he by "Mambrino," he by "Imported Messenger." The dam of "Indian Chief" was the trotting mare "Pochahontas," that got a record, fall of 1879, in Fredericton, of 2.33, the fastest time ever made in any race by any horse raised in New Brunswick. Her dam was got by the "Henry Horse," he by the "Myshrall Messenger," the father of "Warrior."

"Indian Chief" stands 15 hands 3¼ inches high; weighs 1075 lbs; color black, with star in forehead, and one white ankle behind; can trot faster than "Pochahontas could at the same age.—"Pocahontas" trotted last week on Recon Park, Boston, in 2 22, proving that she is the best and fastest mare raised in the Maritime Provinces.

Terms—Season, $8 00; Warrant, $10.00. $3 00 to be paid at time of service.

All mares disposed of before time of foaling will be considered with foal, unless proved otherwise.

A Great Cause of Human Misery

Is the Loss of

MANHOOD.

We have recently published a new edition of **Dr. Culverwell's Celebrated Essay** on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to marriage, etc., resulting from excesses.

☞ Price, in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or use of the knife; pointing out a cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be may cure himself cheaply, privately and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.
