Hon. Mr. Burpee having offered the use of a train, the employees of the N. B. Ry., with their wives and other lady friends to the number of 175, had an excursion to Grand Falls on Saturday evening last, returning the following evening. The train going north was in charge of Conductor Holts, and returning in charge of Conductor Augherton. Of course such a goodly gathering could scarcely fail to enjoy themselves, which they did thoroughly, both in the passage and amid the splendid scenery at the Falls. The Nella F. Brown company gave great satisfaction, at the Rink, on Friday evening last, to the very small audience present. Miss Brown in her role of elocutioniet and Miss Howe as a soloist were a delight, they are doubtless the finest artists in sheir respective spheres who have ever appeared before a Woodstock audience. Mr. Lee also displayed a fine tenor voice to advantage and Mr. Gilder must be a pianist of rare ability to have made music speak from the miserable instrument provided for him on this occasion. The fricath the Main Street Baptist Church will hold a ter, Tea and Fancy Sale in the Riok, on the 12th July. A glance at the advertisement will show that the programme is an

enticing one. Music will be furnished by the Houlton Band. If the weather proves fair on the day of the date of this issue Woodstock will be crowded with visitors from home and abroad, come to participate in the sports. We have reason to believe that the anticipations of our visitors in regard to the races will be fully realized, as the entries are numerous and comprise some of the celebrated American and Provincial trotters. The Rink of course will be a centre of attraction to-day (Saturday) for there, under the skillful management of the ladies of the Albert Street Baptist Church, will be dispensed in copious profusion, solids and liquids, of the most tempting kind and variety and at prices which will be sure to bring patronage. Ample provision will be made for the amusement of guests; the site selected is

a delightful one and we are safe in promising all who attend an agreeable season. And now the ladies of the Baptist Church, Rockland, are preparing for a Strawberry Festival and Fancy Sale. The next session of the Teacher's Institute of Carleton County will meet on July 12th and 13th in the College building, beginning at 9 a.m. of the 12th. The programme comprises a paper on "School Recreations," by W. T. Kerr, one on "Physical Education," by Miss Faulkner, one on "How to teach History," by E. T. Miller, one on "Suggestions concerning Literature to be substituted in place of objectionable reading indulged in by pupils," by F. W. Chapman, A.
