lagers." Now, with reference to the Lodge, it has may be made for it in New York. been instituted but a few weeks, and can scarcely yet be said to be in good running Agent, 41 Park Row, (Times Building), New order. It has not, as "Observer" has stated. York, is also authorized to contract for adverall the professional talent of the village; there is one exception, and an exception of which "Observer" must have been aware, as he has The Garleton Sentinel reckoned three rum shops, instead of two. 28 was formerly the number. It is true that thus far we have no church, but " Observer' would have been more candid had he said there was one in course of construction near the village. He should also have stated that the people of the village had started a movement with a view of building a Public Hall. Since the date of his letter a public meeting has been held, and a committee of three of our most reliable men appointed to go on with the construction of a public hall; a sub. dall's valuable book on the horse and his disscription list has been opened, and two hun- eases, for \$1. dred dollars already subscribed. Because liquor is sold here, it does not prove that all that is "good" and " noble" has departed, dues and one year's subscription in advance, neither dues it prove that he who refusing to do anything towards the suppression of the traffic in rum himself stands back and reproves others for not doing so, is "good" and for 25 cents. noble." 'Observer" must occupy

to take great interest, and quite a few grown people love to meet to study the Bible. Two suddenly stopped or hesitated in its flow there of the executive committee met with them was a corresponding stagnation. We don't last Sunday and were listened to with candid know to what extent the demands of the attention. We hope to see this school well strikers are just but in this, as in nearly all represented at the Convention; delegates will be chosen next session of the school.
