The Superior Trotting Stallion

Mambrino Monarch!

Will make the season of 1883 at McAnna's Stables, Woodstock

TERMS, $10.00 to Insure.

PEDIGREE.—This horse was bred at Coldwater, Michigan, U. S. His Sire is the famous Stock Horse and Trotter, Fisk's Mambrino Chief, who was sold for $12 000 when eight years old. He having then showed his superiority as a Race Horse for one mile up to five beating Pilot Temple, 2 21¼, Magna Charta, and others, making 2 26 in harness, also a record of 2 29½ under saddle, and 5 miles in 13 52. These performances, together with his size fine form, high breeding and great success in the stud places him in the front rank of Stallions who have a National Reputation. He stands 16½ hands, a majestic looking Dark Bay Horse, perfectly proportioned, and his progeny even to the second and third generation bear his stamp and inherit his speed. He is the sire of Mambrino General, record 2 25½; Woodchuck, 2 30, and a dozen of others with records on public trials close to 2.30; a pair of carriage horses by him are used by a member of the Vanderbilt family in New York City. He was bred in Kentucky and got by Clays Mambrino Chief, (sire of Lady Thorne 2 18½ and grand sire of Trinket, 2.14), dam by Birmingham, 2nd, 3rd, and 4th dams all got by first-class thoroughbred horses. Clay's Mambrino Chief was got by Mambrino Paymaster, a grandson of Messenger.

So much for the sire of Mambrino Monarch. His dam by Maid of Fordham, was got by Imported Monarch who was from the Royal Stables at Hampton Court, England; His grand-dam was owned by Col L. G. Morris, of Fordham, N. Y., who states she had every appearance of being a near descendent of imported Messenger. Monarch's dam was a noted brood mare and first prize winner at the State Fairs for many years. Her daughter by Magna Charta, record 2 30¾, (trials 2.25 and better) lately sold for $2500 and shipped to England.

QUALITIES.—Monarch is a young sire whose credentials are second to none. He has proven himself a fast and game trotter; his record of 2.41½ over a slow half mile track is no measure of his speed. He meets the breeder's wants.

He has the size to get Farm Horses. He has the ranginess style and action to get coachers, park and carriage horses. He has the blood to get colts as good as himself or his ancestors, and in due time, as sure as "like begets like," he will, as a sire of trotters and roadsters, keep the family name green for many a day.

DESCRIPTION.—He is a dark grey, stands 16¾ hands high, weighs 1300 lbs, a true made, muscular horse, full of good points and characteristics of the Mambrino family, which are soundness, good size, true easy gait, great endurance excellent disposition and blood like appearance.

Breeders and horsemen generally are invited to inspect this horse. His introduction here has been very cordially received by all who desire to see the reputation of Carleton County and vicinity maintained for raising fine market horses and the highest type of fast trotters. There is every reason to believe that Mambrino Monarch will work himself up to the top of the tree as a sire of this class of stock.

CONDITIONS.—He is only put to insure and service fee payable when mare is known to be in foal. If she is either sold, parted possession with or not returned regularly to the horse she will be considered as in foal. $3 00 to be paid at time of service.

This horse will stand at or near, Park's, Lakeville, every Saturday. Season commencing 1st May.

For further particulars call or send for a circular.

JAMES McANNA.

"INDIAN CHIEF!"

WILL stand at the stable of the subscriber, in Woodstock, for the season of 1883

PEDIGREE.—"Indian Chief" is six years old, was sired by "Cobbler," he by "Nattie Cobbler," he by "Megg's Abdallah," he by "Mambrino," he by "Imported Messenger." The dam of "Indian Chief" was the trotting mare "Pochahontas," that got a record, fall of 1879, in Fredericton, of 2.33, the fastest time ever made in any race by any horse raised in New Brunswick. Her dam was got by the "Henry Horse," he by the "Myshrall Messenger," the father of "Warrior."

"Indian Chief" stands 15 hands 3¼ inches high; weighs 1075 lbs; color black, with star in forehead, and one white ankle behind; can trot faster than "Pochahontas could at the same age.—"Pocahontas" trotted last week on Recon. Park, Boston, in 2 22, proving that she is the best and fastest mare raised in the Maritime Provinces.

Terms—Season, $8 00; Warrant, $10.00. $3 00 to be paid at time of service.

All mares disposed of before time of foaling will be considered with foal, unless proved otherwise.

JAMES McANNA.

Woodstock, April 3, 1883 —6i-14

Miscellaneous.

When a girl travels on her good looks she passes on her face value.

Time is a good deal like a mule. It is better to be ahead of time than behind time.

It seems natural (doesn't it?) that when a man's business gets run down he winds it up?

Daughters, Wives, Mothers, look to your health! The many painful and weakening diseases from which you suffer, dispairing of a cure, can be remedied by that unfailing regulator and unfailing tonic—Burdock Blood Bitters. Ask your Druggist for proof.

A young man at a musical party being told to 'bring out the old lyre,' brought out his mother-in-law.

If you can manage to keep silent while you are young you may possibly have something worth saying in old age.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETING. Its value is incalculable. It will relieve the poor little sufferers immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETING is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

'Smith, said Brown, 'there's a fortune in that mine, I tell you.' 'Yes, Smith, I know there is. In fact, there are several fortunes in it, and I know the fools who put 'em in.'

NOTICE.

THE subscribers having purchased the patent right of Mr. Joseph Kearney for the manufacture and sale of the "Kearney Swing Churn," in the Dominion of Canada excepting 400 sold to two parties, and the right to manufacture and sell for the Counties of Victoria and Madawaska, are now prepared to supply all parties who may require same. Orders left at the office of the Woodstock Woodworking Co. will receive prompt attention. These churns have the reputation of being the best now in use.

TAPLEY'S

REMEDY,

—FOR—

Nervous Headache, Neuralgia AND SCIATICA,

IS one of the best preparations now before the public for the cure of those distressing complaints that have baffled the skill of physicians for ages past. It is perfectly safe and reliable, being prepared from the prescription of a surgeon in the British army, who compounded it for the cure of those Nervous Diseases existing in the regiment to which he was attached, and by this Remedy he was enabled to effect a positive cure in every case. Wherever it has been used according to directions it has never failed to produce the most satisfactory results.

It has but recently been introduced into this country, but during the last two years it has been used here, its cures of the above diseases have numbered more than that effected by all other remedies combined; it has cured cases of from one to twenty years standing as can be vouched for by the testimony of most reliable disinterested parties.

A Great Cause of Human Misery

Is the Loss of

MANHOOD.

We have recently published a new edition of Dr. Culverwell's **Celebrated Essay** on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to marriage, etc, resulting from excesses.

☞ Price, in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or use of the knife; pointing out a cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be may cure himself cheaply, privately and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.
