Who is Perry Davis?

About forty years ago when PERRY DAVIS, of Providence, R. I., in the United States, first introduced to the world his now universally known Pain-Killer, he was a poor man without influence, a cripple and an invalid. He studied the effect of certain drugs upon the human system, and experimented in their uses until he had compounded a medicine capable of curing his own maladies. When restored to health, he offered the preparation to his fellow sufferers, until now there is not a country on earth which does not buy it. It is eminently a

∴ HOUSEHOLD MEDICINE ∴

Safe to use at all times. It is adapted for both internal and external application, and reaches a great many complaints, such as

Sudden Colds, Chills, Congestion or Stoppage of Circulation, Cramps, Pains in the stomach, Summer and Bowel Complaints, Sore Throat, &c.

Applied externally, it has been found very useful for

Sprains, Bruises, Rheumatic Pains, Swelled Face, etc., and for a Tooth-ache.

Miscellaneous.

A schoolboy remarks that when his father undertakes to "show him what is what" he only finds out which is switch.

A Wrong Opinion.

Many a dollar is paid for prescriptions for some disease that never troubled the patient, and when the sole difficulty was worms, which a few of Freeman's Worm Powders would remove. These Powders are pleasant, safe and sure, contain their own cathartic, and are adapted for children or adults.

Coffee-tinted lace is the latest. The ladies wear it to the theatre. It matches their escorts' breath.

A Wonderful Result.

A single bottle of Dr. Low's Pleasant Worm Syrup has frequently destroyed from 100 to 200 worms. It is pleasant to—take no other cathartic being required. Tape worms have also been removed by it, of 15 to 35 feet in length. It is effectual for all varieties of worms afflicting both children and adults.

"Jones, did your family ever have any interest in the public stocks?" "Why, y-e-a, zur. My grandfeather stood in 'em once about four hours."

MOTHERS DON'T KNOW.—How many children are punished for being uncouth, wilfull, and indifferent to instructions or rewards, simply because they are out of health! An intelligent lady said of a child of this kind: "Mothers should know that if they would give the little ones moderate doses of Hop Bitters for two or three weeks, the children would be all a parent could desire."

"Aunty, vat makes the little baby cry so? Do it want its mudder?" "Yes, dear, and its fodder, too!"

For Toothache, Burns, Cuts and Rheumatism use Perry Davis' Pain Killer. See advertisement in another column.

"I'm glad Billy had the sense to marry a settled old msid," said Grandma Winkham, at the wedding. "Gals is hity-tity and widders is kinder overrulin' and upsetin'. Old maids is kinder thankful and willing to please."

For Cramps, Pain in the Stomach, Bowel complaint or Chills, use Perry Davis' Pain Killer. See advertisement in another column.

A country preacher said he knew it was the proper thing for him to be poor and humble; "and brethren," he added, "I know that I can confidently depend on you to keep me poor, and let us hope that the Lord will make me humble."

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETING. Its value is incalculable. It will relieve the poor little sufferers immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETING is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

MANHOOD

HOW LOST, HOW RESTORED!

We have recently published a new edition of **Dr. Culverwell's Celebrated Essay** on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments to marriage, etc, resulting from excesses.

☞ Price, in sealed envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or use of the knife; pointing out a cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be may cure himself cheaply, privately and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.
