Not a family should be without it in the house one day, as it may save life before a physician can be called, and will certainly save a great amount of suffering and perhaps a long sickness by its early use.

For children of all ages it is just the thing. Infants take it in smaller doses with perfect success, being pleasant to the taste and giving instant relief. A few of the numerous testimonials may be seen in pamphlets around each bottle.

Price only 25 cents. Try it once and you won't be without it.

Sold every where and at Woodstock by H. Porter & Co.

Two years ago I was very sick with what is called Summer Complaint or Dysentery, and I bought one bottle of Gates' Certain Check, and I verily believe it saved my life. I can testify to the truth of this.
