THE VISITORS. The first arrivals from outside were from Presque Isle and other up river districts on Wednesday evening-a goodly number; on Thursday morning the night train brought the Houlton band and some 40 visitors from that town. At 11 a. m. the train from Gibson came in, bringing 180 guests to see and add zest to the celebration; at the same hour arrived the train from the South, bringing the St. Stephen band and some 50 excursion-
