Communicated. FOR THE CARLETON SENTINEL. MESSES EDITORS, -In my last communication in your valuable paper upon the juil question, I gave intimation that I should write another letter to you upon the sabject, but as I happened to be in Woodstock, on Good Friday, the day my last letter appeared a fearful falsehood, when we stated the re- shall disturb the feeling of close friendship pairs of the old jail and court house had cost | that has ever existed between us. \$5 212 47 during the last 16 years. The Press then says, we will present our readers facts not assertions. The Press then proceeds and quotes the figures as given by Mr. Hay in speaking upon his resolution in January last, beginning at the year 1866, \$3 654 14 of Mr. Hay's figures and, at the next stroke tionary measures as will relieve them of any while these of the other four, if it were only a of his pen, declaring he knows nothing about liability in the event of an accident. them. Personally he knows nothing about It is well known that this crossing strikes rive the same. what he is writing on, and calls upon Mr. the railway at a very acute angle. To suc-Sharp to prove these figures are talse. What seesfully pass over it in a waggon at any orand others and, I might say justly the public generally, dispute them, and it now remains been allowed to interrupt the view of the for the Press as he has assumed their correct- train as it approaches from Hayden's Mill; for twenty-five years, justifies us in offering once and the crossing changed at right angles. an opinion upon this question. He then in On the I. C R all the crossings are construct. his paper of the 29th March, gives his readers ed in that manner, so the dangers in passing the benefit of his practical experience, in over them are reduced to a minimum. which he entirely eclipses Mr. Uraig's estimate of repairs of old jail, and gives us a new remedies as will insure their reasonable safety bill of fare, as follows: Carpenter work and material, \$225; plastering, \$240; iron and iron work, \$300; plumbing, \$590; painting, \$75; addition for jailor's family, \$300; heating apparatus \$250; and then says not only \$1,000 but \$2,000 will absolutely be required! Well, Mr. Editor, it is a blessing to a community to have men of practical experience amongst them, especially when it is exercised for practical good. But let me ask the Elitor of the Press to give us an evidence of his practability; is it your building at Water-ville to which you would call our attention and did you sit down as a wise man and count the cost before you commenced to build that edifice; and if so, did the expenditure exceed your estimate, and how much did it cost you your estimate, and how much did it cost you have the cost before you commenced to build that they must use the utmost expedition. Mr. Heaven, or almost to Christ, but to bring them nearer to Christ and nearer to the figures touching they must use the utmost expedition. Mr. Heaven, or almost to Christ, but to bring them nearer to Christ, but to bring they must use the utmost expedition. Mr. Heaven, or almost to Christ, but to bring they must use the utmost expedition. Mr. Heaven, or almost to Christ, but to bring they must use the utmost expedition.
