ing is intended should be kept always in ment. view. In a jail, strength, durability, ventilation, good sewerage, ample air space are, \$83 44 even for prisoners, necessities, while apartments for the jailer should be ample for the requirements of comfortable house keeping, and he should be provided with an office

in which to hold communication when necessary with the public. Now we do not think that the ideal ____ 1291 17 have presented is extravegant; certainly present jail falls very far short of it. Supposing the proposed thousand dollars \$31 76 repairs are put upon the building, what will 100 00 we have? A building, it may be, tighter

as regards the holding of prisoners, but as regards general accommodations and the other \$24 42 requisites that have been enumerated, a building no better than it is now. It will be a jail unfit for a jail. Hence the conclusion reached that it would be an unbecoming, a wasteful expenditure of money to use a thou sand dollars in patching up and mending the 20 61 old building only to make it temporarily in- ital etock," in the fourth line of the section, 81 37 years at longest a new jail will have to be

built. Surely in point of economy it wer wise to add to the one thousand dollars a few 89 18 more thousands and meet the difficulty at once by the erection of a new building. we understand it, if ten years ago a good, properly constructed building had been erected it would now have been about paid for by the money that has gone to keep from decay the present building. How shall it be in ten years from now? Shall people then have t reflect upon themselves over the same moral

or feel thankful in view of the fact that

1883 the lesson of the previous ten years had been properly applied? THE most important of the departmental reports have been promptly laid before Parliament. In the MILITIA REPORT Gen. Luard recommends the establishment of permanent recommends the establishment of permanent schools for infantry and believes a force well Appleby, Eq., appeared for the respondents. disciplined is more valuable than the disciplined is more valuable than the whole in the present sketchy knowledge of its duties. His visits to various camps this year were on the whole very satisfactory and there was much more to commend and less to correct than last year. He recommends not correct than last year. He recommends not
