

The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She s realously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Ker Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this. On account of its proven merits, it is recommended and prescribed by the best physicians in the country.

One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhœa, irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Herration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life." It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prestration, General Debility, Sleeplessness,

Depression and Indigestion. That feeling of bearing dewn, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law It costs only \$1. per bottle or six for \$5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, For Kidney Complaint of citier sex this compound is

Billousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole ambition is to do good to others.

PUTTING THE CHIEF ON HIS FEET -The Hamilton, Ont, Fire department, under the training and supervision of Chief A W. Atchinson, is not excelled in efficiency by that of any other city in the Dominion.
