Ar the late session of the Municipal Council steps were taken to encourage the erection of a woollen mill in this County. As showing your own S. S, then send in your reports first the success of such an enterprise, the operations of the Houlton mill were cited. Many of our farmers patronize that mill, but their attention has lately been called to one within our own Province that is doing highly satisfactory work. These mills, of which John Read & Son are proprietors, are situated at Elgin, Albert Co., and manufacture tweeds, homespuns, flannels, winceys and yarns. The quality of the work turned out by these mills is not excelled by the celebrated Oxford mills of Nova Scotia. Mr. Harris Everett, of Jacksontown, and Mr. Robert Stephenson, Upper Woodstock, are agents for this firm and are daily receiving from our farmers wool of all kinds, which is returned to them in the man-
