A NOR' WEST WIND .- Winnipeg, Aug. 20.—The heaviest storm in many years has visited this province. The rain poured in torrents and the lightning was very vivid. Several houses were blown from their foun- CAN BE MADE BY BUYING AND USING dations, sheds were blown down, sidewalks torn up, and the fronts of houses blown off. The lightning struck the Hudson Bay com- THRESHING MACHINES. pany setorehouse, and ripped up the roof doing damage to the extent of \$10,000. In Headingly the English church was blown down, SMALL & FISHFE, WOODSTOCK, N. B. several houses moved off their foundations and grain stacks were leveled to the ground and scattered over the prairie. Reports from other country districts show that the storm raged from Vermillion Bay on the east to Brandon on the west, but that the severity of the storm centered in Winnipeg. A great deal of grain was lodged in some localities, but in others little or no damage was done. The wind blew at such a terrific rate as to blow street cars off the track in this city This is the first big storm in many years.

Severe storms visited Hungary early in August. In the village of Zebegeny a whole family perished, and on the line of one of the these, and the railways 70 houses were destroyed. The fate of the Zebegeny family came about in this world, and you will find that —Hop of the Zebegeny family came about in this manner: The water had rushed into one of the rooms, and the husband broke a hole in the ceiling, through which he drew all the inmates of the house. But in a short time the entire house fell in, and the wife, four the entire house fell in, and the wife, four proof of this. children and a servant were drowned. The husband was saved by clinging to a rafter, on which he floated to a point four miles !.
