Miscellaneous.

The young lady who was blamed for allowing her glove to be discovered in a young man's pocket stated that she had no hand in it.

He Knows It.

Hiram D. Maxfield, formerly of Silver Springs, R. I., has no doubt about the wonderful curative powers of Kidney-Wort. He was so afflicted with Kidney Complaint that he could not stand on his feet from pain and weakness. As soon as he commenced using Kidney-Wort he experienced immediate relief and at once began to grow strong and was relieved of all pain and unpleasantness. He says: "I *know* I have been cured by Kidney-Wort."

She—"I don't think I shall go rowing with you again."

He—"Why not, pray?"

She—"Because you only hugged the shore.

When a person is weak and faint, or fatigued and exhausted, there is nothing so refreshing and reviving as a little of MURRAY & LANMAN'S FLORIDA WATER Rubbed on the hands and temples, and inhaled freely, it tones and braces the whole system.

A gentleman who was about to marry a plain girl said to his friend: "It is not for her exterior but her inward beauty that I marry her." "Then for goodness sake," replied the friend, "turn her inside out."

A RARE PLANT.

The Wild Strawberry Plant possesses rare virtue as a cleansing, cooling, astringent, antesseptic, and healing medicine, and when combined with other valuable vegetable extracts, as in Dr. Fowler's Extract of Wild Strawberry, it is an unfailing remedy in all Bowel complaints.

An old lady visiting the antiquarian museum the other day, on inspecting the old weapons very earnestly, and failing to find what she was apparently looking for, asked a visitor if he could tell her whereabouts they kept the Ax of the Apostles.

A Strong Endorsement.

The Clergy, the Medical Faculty, the Press and the People all endorse Burdock Blood Bitters as the best system renovating, blood purifying tonic known. Its work bears out their best recommend.

"I never saw such a woman in all my life," said Bass: "you are never satisfied with anything." "People who know the man I took for a husband," replied Mrs B., "think on the contrary, that I am very easily satisfied."

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING. Its value is incalculable. It will relieve the poor little sufferers immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.

FAILING!

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse.

The only sure remedy yet found is Davis' Quinine Iron and Wine, and this by rapid and thorough assimilation with the blood, purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Davis' Quinine Iron and Wine will cure Dyspepsia, Indigestion, Liver Complaint, Malaria, Intermittent Fevers, General Debility, etc.

BURTON, SUN. Co., July 17, 1883.

GEO. H. DAVIS:

Dear Sir,—I was a great sufferer from Dyspepsia, and for several weeks could eat nothing, and was growing weaker every day. I tried Davis Quinine, Iron and Wine, and am happy to say I now have a good appetite and am getting stronger. Yours,

JOSEPH McCAWLEY.

Davis' Quinine Iron and Wine is not a drink and does not contain whiskey. It is a simple preparation of Iron and Quinine that causes no injurious effects. Get the genuine. Ask for Davis' and take no other. Price 50 cents. Prepared only by

IMPORTANT!

to Farmers, Mechanics, Laborers, &c.

IN order to compensate in some measure for the losses sustained by our farmers on account of the depressed state of the produce market, as also the inconvenience suffered by our Mechanics, Laborers, &c., in consequence of the present low rate of wages the undersigned has determined to make a

Reduction of 15 per cent.,

commencing at this date, upon his entire stock, consisting of a full line of GENTS FURNISHING GOODS, LADIES' DRESS GOODS, GROCERIES and STAPLE GOODS of all kinds.

This is not a "clean sell-out of old stock to make room for new Goods," and to "continue for thirty days only," but will apply to the whole stock, including the recent large arrivals of CHOICE TWEEDS, English Scotch and Canadian. As also our extensive line of CLOTHING made up according to the latest styles and of the best material, and the sale will continue during the entire Summer. Nor will it be a sale for "Cash only," as those of our customers who have hitherto been prompt in paying their accounts, will still continue to receive accomodation at short dates. In this latter connection also I would beg to remind all those whose accounts have been standing three months and upwards, that business cannot be done without money or its equivalent, and trust no further notice will be necessary in order to induce them to call immediately and settle their accounts

Gentlemen wishing SUITS MADE TO ORDER will be waited on by an experienced Tailor, one whom they will find to be the very essence of politeness, and who will attend promptly to their wants and insure them a good fit.

COMING!

The countries where Cholera prevails, as in India, China and Africa, Pain-Killer is considered the surest and safest of all known remedies, and therefore place the most perfect reliance in it.

Read the following extract from the letter of a missionary in China:

DEAR SIRS,—I ought to have acknowledged long ago the box of Pain-Killer you had the goodness to send me last year. Its coming was most providential. I believe hundreds of lives were saved, under God, by it. The Cholera appeared here soon after we received it. We resorted at once to the PAIN-KILLER, using as directed for Cholera. A list was kept of all to whom the Pain-Killer was given, and our native assistants assured us that eight out of every ten to whom it was prescribed, recovered.

Believe me, dear sirs, gratefully and faithfully yours. J. M. JOHNSON.
