IMPORTANT!

To Farmers, Mechanics,
Laborers, &c.

IN order to compensate in some measure for the losses sustained by our farmers on account of the depressed state of the market, and also the inconvenience suffered by our Mechanics, Laborers, &c., in consequence of the present low rate of wages the undersigned has determined to make a

Reduction of 15 per cent.,
commencing at a full price on his entire stock, consisting of a full line of GENTS FURNISHING GOODS, LADIES' DRESS GOODS, GROCERIES and STAPLE GOODS of all kinds.

This is not a "cheap sale of old stock" to make room for new goods, and to "continue for thirty days only," but will apply to the whole stock, including the recent arrivals of GENTS' FURNISHING GOODS, LADIES' DRESS GOODS, GROCERIES and STAPLE GOODS of all kinds.

As our extensive line of CLOTHING made up according to the latest styles and of the best material, and the sale will continue during the entire summer. No one will be able to "cash only," as those of our customers who have hitherto been prompt in paying their accounts, will still continue to receive accommodation at short dates. In this latter connection also I would like to remind all those whose accounts have been standing three months and upwards, that they cannot do without money or its equivalent, and trust no further notice will be necessary in order to induce them to call immediately and settle their accounts.

Gentlemen wishing SUITMADE TO ORDER will be waited on by an experienced Tailor, one whom they will find to be the very essence of politeness, and who will attend promptly to their wants and insure them a good fit.

With sincere thanks for past favors,
I remain, yours truly,

B. LYNCH.

DREADNAUGHT.

The Stallion will stand for service at my stable, Woodstock, the coming season, 1884, at \$10 a warrant, to be paid when proven with foal; \$5 for the season; \$5 single service. Dreadnaught is standard bred in the trotting line. He has shown very fast public trials, when three miles and a half was trotted in 2:10. In 2:14 at Brimston, at Philadelphia, to wagon. In 2:24 at Brimston, to Joe, four times, in 2:21. Sold under four years old for \$1,000. Shred by Fearnaught, Jr., 2:26, private; 2:24; Galatia, 1 year old, 2:24; Argos, 2:24; by Fearnaught, 2 years old, 2:24; and several others with public and private trials. He is owned by the young Mr. H. H. Merrill, Morgan Messenger and Durock. Dan of Dreadnaught, was Lady Dix, 2:21, by Rich, Allen, who lost Durock, in 2:15, 2:19, the fastest time ever made by any stallion, in a race. Killa Allen, by Vermont Henshaw, Lady Dix is half sister to Josiah Lombard, who stands first of all living sires in the 2:10 list, two of his grandsons, Winship and Frank, at Prospect park, last fall in a race, made the fastest time ever made, 2:08; second Dan of Dreadnaught by Hamiltonian; it will be seen that Dreadnaught is not only the highest speeded horse, but he can show the fastest time and dam, also the fastest grand sire and great grand sire of any stallion ever owned in New Brunswick. His second best son, three years old, took first prize at St. John Exhibition, last fall, for speed.

Miscellaneous.

"What comes after T?" asked a teacher of a small boy who was learning the alphabet. "You do, sir, to see sister Josie." There was an audible titter among the more advanced pupils, and, of course was quickly suppressed.—The Judge.

A Firm Opinion.

The firm of Ormand & Walsh, Druggists, of Peterboro, say Dr. Fowler's Wild Strawberry is one of their best Standard Medicines for Summer Complaints.

A tired mother who had been occupied all day with an active and very troublesome boy, as she sat down in the evening and thought of the numberless details in which her strength had gone, said, "after all, it is a day towards the making of a man."

Murray & Lannan's Florida Water.—This most delicate invigorant, the greatest savor with sea sickness, and those whose nervous systems are most sensitive, prefer it before all others, and use it to the exclusion of all others, not for a time only, but always and continuously. The sense of smell never tires of its soft, refreshing odor.

A resident recently employed a colored gentleman to clear the winter accumulation of ashes from his cellar, and the job being well done, he suggested the following answer: "Golly, boss, tink you ever heard it bef'?" I've been holier ashes round' here dese ten years.

Insurance. Insurance is a good thing whether applied to life or property. No less a blessing is anything that insures good health. Kidney-Wort does this. It is a mild but efficient cathartic, and acting at the same time on the Liver, Kidneys and Bowels, it relieves all these organs and enables them to perform their duties perfectly. It has wonderful power. See advt.

Modern Magic. The magical power over pain that Hagar's Yellow Oil possesses, outvalues the marvels of ancient times. It acts in a natural manner to subdue inflammation; cures Rheumatism, Gout, Deafness, Sore Throat, and painful injuries.

"Your beau seems to be an athletic looking youth, Mary," said a fond Somerville papa to his blooming daughter. "Oh, yes," she replied, with a blush, "he is the 'short stop' of the Belton nine."

"Ah! indeed?" he is not much of a player, I reckon. "Why do you think so?" "Because he stays till midnight nearly every time he comes to see you."

As a "short stop" I should be inclined to regard him as a failure.

ADVICE TO ROYALTY.

Are you disturbed at night and broken of your rest by a sick child, unable to obtain sleep, and crying out in pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferers immediately. Depend upon it, mothers, there is no mistake about it. It is a safe and reliable remedy, regulates the stomach and bowels, cures wind colic, softens the bowels, reduces inflammation, and gives the child a good night's sleep. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle.
