KING'S EVIL Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is

wiser now, and knows that SCROFULA

can only be cured by a thorough purifica-tion of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its generation after generation. Among its earlier symptomatic developments are Eczema, Cutaneous Eruptions, Tumors, Boils, Carbuncles, Erysipelas, Purulent Ulcers, Nervous and Physical Collapse, etc. If allowed to continue, Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases, Tubercular Consumption, and various other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effectual an alterative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

In the dwellings of the poor a most discreditable state of affairs was found, and the tide of morality was at its lowest ebb. This was largely due to the overcrowding of tenements, but vice was rampant where this excuse did not exist. In very high society in London impurity was not frowned down, but winked at and even cajoled. The Bishop entreated his clergymen to combat and suppress, as far as in them lay, this growing evil of veiled licentiousness and to raise the tone of public and iousness and to raise the tone of public and private morality.
