A LECTURE TO YOUNG MEN
On the Loss of
MANHOOD
The celebrated author, in this admirable Essay, clearly
demonstrates, from thirty years' successful
experience, that the loss of manhood is a
radical cure without the dangerous use of
internal medicines or use of the knife; pointing
out a mode of cure at once simple, certain, and
effortless, by means of which every sufferer, no
matter what his condition may be, may cure him-
self cheaply, privately and radically.
