FALL & WINTER

FALL & WINTER

Curred last evening at Abbott, 30 miles north of this city in which two lives were lost. Marion Teague and John Friar, two well known stock men, became embroiled in a difficulty over a division of stock owned jointly. While sitting at the table discussing the matter, Friar suddenly attacked Teague with a bowie knife. Teague, as quick as a flash, drew a dirk and the two men fought with the small table between them searcely moving from the spot. Several searce lost. Wation mill is driven by a 90 horse power engine and boiler manufactured at Wating's foundry in Indiantown. The Watson mill has five run of stones—two for wheat, two for buckwheat and one for feed. A good grain mill has long been required is the neighborhood, and this will undoubtedly do a large business. After a few months, sawing machinery will be connected with the Token of Hop

scarcely moving from the spot. Several persons witnessed the terrible du l but dared not interfere. The combatants glared at each other like wild beasts, each watching his opportunity to strike. Friar made sevulder date June 8th, 1877:—
