A PUBLIC Sabbath school meeting was portance of the subject to be considered. over. Mr. G. L. Holyoke was called to the chair the meeting: Messrs. G W. Hovey, W. T. Kerr, S. J. Parsone, A. W. Hovey and the ence was composed chiefly of the younger representation. members of society, whose conduct and attention was most orderly and marked.

The fullest preparations are being made in order to make the meeting, called for the 30th inst. at the city of St. John, to organize a ers &c., all over the province, inviting their co-operation, and from a large number have come back a hearty and favorable response. We need not remind the Sabbath School workers of this county of the benefits of organization in their labors; they are living and en joying the blessed results of such united effort: they have seen how under the influence of into existence, and schools transplanted from work. That a similair result may be enjoyed the meeting in St. John; let every school in representatives. Delegates can travel on the played by Mr. A. Letts. railways and steamers for one fare, and will be cared for, free, while at St. John. Don't peglect to elect your delegates at once.

Communicated.

FOR THE CARLETON SENTINEL. MESSRS. EDITURS .- As I am a candidate for the office of Councillor, for the parish of Wakefield, at the coming election, and as that I voted to remove the court house and jail to the town of Woodstock, and that if clected I would vote for their removal, and not having time to go over the parish to contradict it, I will have to use your paper to state just what I did do and say: When buildings to the town I was not in the county, to satisfy my friends, and thanking you for giving this room in your paper. I remain, yours, etc., Jacksonville, Oct. 8, 1884.

FOR THE CARLETON SENTINEL. being present at a picnic given for the key, Trinidad or Barbadoes. pleasure and recreation of Mrs. E. S. Gilmore's school by the good people of the district in which it is taught. In Carlisle parish of Brighton, and only a short distance from the school bouse, is a most delightful grove, its mosey surface gently sloping to the waters of the north branch Beccaguimac stream, over which we were obliged to cross. A plank bridge, thre wn from shore to shore, safely conveyed some 300 adults and juveniles to the shadow of tall trees and beautifully spread and weighted with the contents of nection with well supplied tables. A suitable stand was erected for Mrs. Gilmore's pupils and others who assisted in presenting the programme so judiciously selected by that lady. At 2 o'clock, p. m., order was called for, after which Mr. Wm. Turner, mester of 'Happy Children ;" then followed dialogues and recitations, interspersed with Frank Hagerman, pleased the young folks very much. The children were soon seated for dinner, and in a comparatively short time all could witness to the abundance and exing the taste of those little ones committed to her care. The children merit the highest
